on the position to be taken on behalf of the European Union in the Trade Committee of the Trade Agreement between the European Union and its Member States, of the one part, and Colombia, Peru and Ecuador of the other part, regarding modifications to Appendixes 2, 2A and 5 to Annex II to the Trade Agreement between the European Union and its Member States, of the one part, and Colombia, Peru, and Ecuador of the other part

DECISION No xx/202x

OF THE TRADE COMMITTEE OF THE TRADE AGREEMENT BETWEEN THE EUROPEAN UNION AND ITS MEMBER STATES, OF THE ONE PART, AND COLOMBIA, PERU AND ECUADOR OF THE OTHER PART
modifying Appendix 2 (List of working or processing required to be carried out on non-originating materials in order that the product manufactured can obtain originating status), Appendix 2A (Addendum to the list of working or processing required to be carried out on non-originating materials in order that the product manufactured can obtain originating status) and Appendix 5 (Products to which subparagraph (b) of the Declaration of the European Union concerning Article 5 in relation to originating products from Colombia, Peru and Ecuador applies) to Annex II (Concerning definition of the concept of 'originating products' and methods of administrative cooperation) to the the Trade Agreement

THE TRADE COMMITTEE,

Having regard to the Trade Agreement between the European Union and its Member States, of the one part, and Colombia, Peru and Ecuador of the other part, and in particular Article 37 of Annex II and point (iii) of paragraph 2(g) of Article 13 thereof,

Whereas:

(1) Article 37 to Annex II and point (iii) of paragraph 2(g) of Article 13 of the Trade Agreement between the European Union and its Member States, of the one part, and Colombia, Peru and Ecuador of the other part (the 'Agreement') provide that the Trade Committee may modify Annex II to the Agreement.

(2) The current Appendix 2 (List of working or processing required to be carried out on non-originating materials in order that the product manufactured can obtain originating status), Appendix 2A (Addendum to the list of working or processing required to be carried out on non-originating materials in order that the product manufactured can obtain originating status) and Appendix 5 (Products to which subparagraph (b) of the Declaration of the European Union concerning Article 5 in relation to originating products from Colombia, Ecuador and Peru applies) to Annex II (Concerning definition of the concept of 'originating products' and methods of administrative cooperation) to the Agreement contain description of Harmonized System ('HS') chapters, headings or sub-headings and product-specific rules of origin that reflect the HS 2017.

(3) Amendments were introduced on 1 January 2022 into the Nomenclature governed by the International Convention on the Harmonized Commodity Description and Coding System. The Parties to the Agreement have therefore agreed upon updating the Appendices 2, 2A and 5 to reflect the HS 2022.

(4) The Appendices 2, 2A and 5 to Annex II to the Agreement shall be modified to reflect changes in the wording of the HS 2022 chapters, headings or sub-headings, or correct minor errors for spelling mistakes and incorrect drafting styles in these Appendices.

(5) The changes to Appendix 2 for the HS 2022 concern as well the product specific rules for HS headings 1601, 1602, 2404, 3006, 3816, 3822, 3827, 8479, 8524, 8529, 8539, 8541, 8548, 8549, 8806 and 9021. For these headings, which now include products from other headings because of the changes to the HS, the product specific rule of origin needs to be modified to keep the rule unchanged for the products moving to these HS headings.

(6) The changes to Appendix 5 concern updating the description and codes of certain products under headings 0303, 0307 and 1605 to the latest version of the EU Combined Nomenclature and TARIC codes.

(7) Appendices 2, 2A and 5 to Annex II to the Agreement should therefore be modified. Those modifications do not constitute substantive changes to the negotiated rules of origin.
