COMMISSION DELEGATED REGULATION (EU) .../...

of 17.10.2022

repealing Delegated Regulation (EU) No 807/2014 supplementing Regulation (EU) No 1305/2013 of the European Parliament and of the Council on support for rural development by the European Agricultural Fund for Rural Development (EAFRD) and introducing transitional provisions

EXPLANATORY MEMORANDUM

1. CONTEXT OF THE DELEGATED ACT

Regulation (EU) 2021/2115 of the European Parliament and of the Council¹ lays down a new legal framework for the common agricultural policy (CAP) to improve its delivery on the Union's objectives set out in the Treaty on the Functioning of the European Union. That Regulation further specifies these Union objectives to be achieved by the CAP and defines the types of intervention as well as the common Union requirements applicable to Member States, while leaving flexibility for Member States in the design of the interventions to be provided in their CAP Strategic Plans for the period 1 January 2023 to 31 December 2027.

Regulation (EU) 2021/2115 provides for types of intervention for rural development. As a consequence, it repeals Regulation (EU) No 1305/2013² of the European Parliament and of the Council with effect from 1 January 2023. In that context, the Commission has adopted additional requirements pursuant to Regulation (EU) 2021/2115 for the design of the interventions to be specified in the CAP Strategic Plans, namely by Commission Delegated Regulation (EU) 2022/126³. That Regulation replaces the rules currently laid down in Commission Delegated Regulation (EU) No 807/2014⁴. In the interest of clarity and legal certainty, the latter Regulation should be repealed with effect from 1 January 2023.

Since Regulation (EU) 2021/2115 leaves more flexibility for Member States in the design of the interventions to be provided in their CAP Strategic Plans and does therefore not contain the same empowerments as Regulation (EU) No 1305/2013, the repeal should be based on the empowerments of that Regulation that were used to adopt Delegated Regulation (EU) No 807/2014.

In accordance with Article 154(1) of Regulation (EU) 2021/2115, Delegated Regulation (EU) No 807/2014 should, however, continue to apply to the implementation of rural development programmes pursuant to Regulation (EU) No 1305/2013 until 31 December 2025 and to expenditure incurred by the beneficiaries and paid by the paying agency in the framework of those rural development programmes until 31 December 2025.

¹ Regulation (EU) 2021/2115 of the European Parliament and of the Council of 2 December 2021 establishing rules on support for strategic plans to be drawn up by Member States under the common agricultural policy (CAP Strategic Plans) and financed by the European Agricultural Guarantee Fund (EAGF) and by the European Agricultural Fund for Rural Development (EAFRD) and repealing Regulations (EU) No 1305/2013 and (EU) No 1307/2013 (OJ L 435, 6.12.2021, p. 1).

² Regulation (EU) No 1305/2013 of the European Parliament and of the Council of 17 December 2013 on support for rural development by the European Agricultural Fund for Rural Development (EAFRD) and repealing Council Regulation (EC) No 1698/2005 (OJ L 347, 20.12.2013, p. 487).

³ Commission Delegated Regulation (EU) 2022/126 of 7 December 2021 supplementing Regulation (EU) 2021/2115 of the European Parliament and of the Council with additional requirements for certain types of intervention specified by Member States in their CAP Strategic Plans for the period 2023 to 2027 under that Regulation as well as rules on the ratio for the good agricultural and environmental condition (GAEC) standard 1 (OJ L 20, 31.1.2022, p. 52).

⁴ Commission Delegated Regulation (EU) No 807/2014 of 11 March 2014 supplementing Regulation (EU) No 1305/2013 of the European Parliament and of the Council on support for rural development by the European Agricultural Fund for Rural Development (EAFRD) and introducing transitional provisions (OJ L 227, 31.7.2014, p. 1).

2. CONSULTATIONS PRIOR TO THE ADOPTION OF THE ACT

On 3 October 2022, a consultation involving experts from all 27 Member States took place within the Expert Group on the implementation of the CAP strategic plans regulation.

3. LEGAL ELEMENTS OF THE DELEGATED ACT

The Delegated Act repeals Delegated Regulation (EU) No 807/2014, adopted on the basis of Regulation (EU) No 1305/2013, since that latter Regulation is repealed as from 1 January 2023.
