Delegations will find in annex written comments from Italy on the above-mentioned document.

Comments from Italy

Regarding the proposal of Main TAC Regulation, we consider that the deduction of the BFT quota transferred to UK should be done in a different way rather than that one used in 2021. As compromise Italy proposes that 24,2 tons should be deducted from the “Other MSs” quota and 24,2 tons should be deducted according to the relative stability mechanism.
