The SCA took note of:

- delegations' general openness to the Commission's exploratory ideas to find common ground on the points horizontal to the adaptation of the four main agricultural Regulations with the Lisbon Treaty,
- the views expressed by a number of delegations that the horizontal approach should be an overall, complete approach,
- the particular importance attached by all delegations to some of the issues identified as horizontal, in particular controls and sanctions and cases where the relevant committee does not give an opinion,
- the Commission's intention to develop criteria regarding the application of point b, second subparagraph, of Article 5(4) of Regulation 182/2011,
- the request from the Chair for delegations to send their comments in writing by Thursday 15 September 2011.

The SCA will revert to this issue at its meeting on 26 September 2011.

4. **Organisation of future work**

The Presidency informed the SCA on the organisation of its next meeting on 26 September 2011.
