I. Introduction

1. On 12 May 2025, the Commission submitted to the European Parliament and to the Council the above-mentioned proposal. The main purpose of the proposal is to amend several regulations in one go, with the most recent recommendations of different Regional Fisheries Management Organisations (RFMOs) that are not yet implemented into Union law.

2. The Working Party on Fisheries Policy examined the proposal and the set of amendments tabled by delegations on several occasions. Consequently, the Presidency tabled three compromises based on written comments submitted by delegations.

3. On 20 October 2025, the Working Party on Fisheries Policy reached an agreement on the third revised Presidency compromise (doc. 10184/2/25 REV 2) for a mandate to start negotiations with the European Parliament.

II. Conclusion

4. In light of the above, the Permanent Representatives Committee is invited to confirm the agreement reached at technical level (doc. 10184/2/25 REV 2) and to approve the suggested text as the Council's position for negotiations with the European Parliament.

5. In accordance with the approach to legislative transparency endorsed by Coreper on 14 July 2020[1], and in full consistency with Regulation (EC) 1049/2001 and the Council's Rules of Procedure, the text of the mandate thus agreed will be made public unless the Permanent Representatives Committee objects."
