STATEMENT BY SPAIN

"Spain hereby declares that the adoption of this Decision does not affect its legal position on the sovereignty dispute concerning the territory in which Gibraltar Airport is situated. Spain notes that on 20 November 2012 it informed the Commission that it no longer considered the Córdoba Statement to be in force and therefore, as from that date, it did not consider it acceptable to continue making reference to the Ministerial Statement of 18 September 2006 on Gibraltar Airport (Córdoba Statement) in European Union civil aviation legislation and accordingly requested a return to the situation prior to 18 September 2006 in any proposals for new legislation."
