Statement by Belgium, Denmark, France, Germany, Ireland, the Netherlands and Sweden on the application of Article 15(9) in the Basic Regulation for COD/03AS; COD/5BE6A; WHG/56-14; WHG/07A and PLE/7HJK in 2021

Given that the biomass of the stocks of COD/03AS; COD/5BE6A; WHG/56-14; WHG/07A and PLE/7HJK is below Blim and that only by-catch and scientific fisheries will be permitted in 2022, in order to ensure the recovery of the stocks in accordance with Regulations (EU) 2018/973 and (EU) 2019/472, Belgium, Denmark, France, Germany, Ireland, the Netherlands and Sweden undertake not to make use of inter-annual flexibility under Article 15(9) of Regulation (EU) No 1380/2013 with regard to these stocks in 2022. This undertaking is a response to the current exceptional circumstances for these stocks.

Statement by the Commission on Norway lobster, 8c, FU25

The Commission will submit a request to ICES to evaluate the sentinel fishery for 2022 for FU 25 with a view to increasing the sentinel TAC. Following the advice of ICES, the Commission may submit an appropriate amendment to the fishing opportunities for 2022.

Statement by the Commission on Norway lobster, 9 and 10, FU26 and FU27

The Commission will submit a request to ICES on the appropriateness of conducting a sentinel fishery in FU26 and FU27 and under what conditions. Following the advice of ICES, the Commission may submit an appropriate amendment to the fishing opportunities for 2022.

Joint Statement by the Council and Commission

The Council and the Commission acknowledge that, under several ICCAT recommendations, the Union may, upon request, carry over a percentage of its unused quota of Northern albacore from 2020 to 2022.

The Commission will do its utmost to put urgently forward a proposal by 30 June 2022 in order to allow for the adjustment of each Member State's quotas of Northern Albacore to reflect any carry-overs of unused quotas and deductions for quantities overfished.

The Council will make every effort to examine swiftly the Commission's proposal as soon as it is presented with a view to reaching a rapid agreement with the Parliament.
