ADDENDUM TO REVISED "I/A" ITEM NOTE

from:	General Secretariat of the Council
to:	COREPER / Council
No Cion prop.:	15086/09 PECHE 303 – COM(2009) 636 final
Subject:	Proposal for a Council Regulation fixing for the 2010 fishing year the guide prices and Community producer prices for certain fishery products pursuant to Regulation (EC) No 104/2000 – Adoption

Delegations will find enclosed a statement by the UK delegation on the above subject.

Statement by the UK delegation

The UK believes that the differential between guide price and regional market price at present is very significant for certain species. This highlights concerns regarding the application of a single guide price being set for species across the EU. The UK proposes that the Commission should look further into the differentiation of guide prices according to regional circumstances, with a view to including such a provision in any future proposed Regulation, if the economic data support this.
