<sup>2</sup> Regulation (EU) 2020/2131 of the European Parliament and of the Council of 16 December 2020 on the elimination of customs duties on certain goods (OJ L 430, 18.12.2020)

2. On 27 July 2025, the European Union and the United States reached a political agreement as regards their trade relationship. On 21 August 2025, they issued a Joint Statement which announced the European Union and United States Framework on an Agreement on Reciprocal, Fair and Balanced Trade<sup>3</sup> (“Joint Statement”).
3. To advance the implementation of the Union’s political commitments under the Joint Statement, on 28 August 2025, the Commission submitted to the Council and the European Parliament a proposal for a Regulation of the European Parliament and of the Council on the non-application of customs duties on imports of certain goods<sup>4</sup>. The objective of the proposal is to ensure the continuity with the Regulation (EU) 2020/2131.
4. The draft Regulation is based on Article 207 of the Treaty on the Functioning of the European Union (TFEU).
5. In the European Parliament, the Committee on International Trade (INTA) has the lead responsibility, with AGRI and BUDG Committees being involved. MEP Bernd LANGE (S&D, DE, INTA) was appointed rapporteur, and his report was debated in INTA on 4 November 2025. INTA Committee is expected to adopt the mandate for negotiations early 2026.

## **II. WORK WITHIN THE COUNCIL**

6. On 4 September 2025, the Commission presented the proposal to the Trade Policy Committee (Deputies) and a first exchange of views took place.
7. Subsequently, the Committee examined the proposal at its meeting on 25 September and 20 November 2025 when it concluded the technical work and agreed to the proposal of the Commission without modifications.
