Subject: COUNCIL DECISION amending Decision 2014/145/CFSP concerning restrictive measures in respect of actions undermining or threatening the territorial integrity, sovereignty and independence of Ukraine

COUNCIL DECISION (CFSP) 2022/...

of ...

**amending Decision 2014/145/CFSP concerning restrictive measures
in respect of actions undermining or threatening the territorial integrity,
sovereignty and independence of Ukraine**

THE COUNCIL OF THE EUROPEAN UNION,

Having regard to the Treaty on European Union, and in particular Article 29 thereof,

Having regard to the proposal from the High Representative of the Union for Foreign Affairs and Security Policy,

Whereas:

- (1) On 17 March 2014, the Council adopted Decision 2014/145/CFSP¹.
- (2) The Union remains unwavering in its support for Ukraine's sovereignty and territorial integrity.
- (3) In its conclusions of 20 and 21 October 2022, the European Council condemned in the strongest possible terms the indiscriminate Russian missile and drone attacks targeting civilians and civilian objects and infrastructure in Kyiv and across Ukraine. Recalling the statement of 30 September 2022, and in line with the United Nations General Assembly Resolution of 12 October 2022, the European Council also reiterated its unequivocal condemnation and firm rejection of the illegal annexation by Russia of Ukraine's Donetsk, Luhansk, Zaporizhzhia and Kherson regions and, as in the case of Crimea and Sevastopol, the Union will never recognise this illegal annexation. The European Council stated that Russia's unilateral decisions deliberately violate the United Nations Charter and blatantly disregard the rules-based international order, and the Union stands ready to continue to reinforce its restrictive measures against Russia.

¹ Council Decision 2014/145/CFSP of 17 March 2014 concerning restrictive measures in respect of actions undermining or threatening the territorial integrity, sovereignty and independence of Ukraine (OJ L 78, 17.3.2014, p. 16).

- (4) In view of the gravity of the situation, the Council considers that 141 persons and 49 entities responsible for actions undermining or threatening the territorial integrity, sovereignty and independence of Ukraine should be added to the list of persons, entities and bodies subject to restrictive measures set out in the Annex to Decision 2014/145/CFSP.
- (5) Further action by the Union is needed in order to implement certain measures.
- (6) Decision 2014/145/CFSP should therefore be amended accordingly,

HAS ADOPTED THIS DECISION:

Article 1

The Annex to Decision 2014/145/CFSP is amended in accordance with the Annex to this Decision.

Article 2

This Decision shall enter into force on the date of its publication in the *Official Journal of the European Union*.

He is therefore responsible for, supporting and implementing actions and policies undermining or threatening the territorial integrity, sovereignty and independence of Ukraine.
