Dear Secretary-General,

On behalf of the President of the European Committee of the Regions (CoR), Vasco Alves Cordeiro, I would like to thank you for your referral request, dated 21.09.2023, regarding the following dossier:

Proposal for a Regulation of the European Parliament and of the Council laying down Union procedures for the authorisation and supervision of medicinal products for human use and establishing rules governing the European Medicines Agency, amending Regulation (EC) No 1394/2007 and Regulation (EU) No 536/2014 and repealing Regulation (EC) No 726/2004, Regulation (EC) No 141/2000 and Regulation (EC) No 1901/2006 - COM (2023) 193 - 2023/0131 COD.

The CoR's Commission for Natural Resources (NAT) decided at its meeting on 1 June 2023 not to issue an opinion on this proposal and not to include the dossier into the ongoing work of the CoR. The proposal has little regional or local relevance; the procedures for the authorisation and supervision of medicinal products for human use and establishing rules governing the European Medicines Agency are a matter dealt with by competent European and national authorities.

Should you require any further information, please do not hesitate to contact the NAT secretariat (nat@cor.europa.eu).

Yours sincerely,

Petr Blížkovský
