**REGULATION OF THE EUROPEAN PARLIAMENT AND OF THE COUNCIL**

**amending Regulation (ECU) No ~~539/2001~~2018/1806 listing the third countries whose nationals must be in possession of visas when crossing the external borders and those whose nationals are exempt from that requirement**

**(Kosovo\*)**

THE EUROPEAN PARLIAMENT AND THE COUNCIL OF THE EUROPEAN UNION,

Having regard to the Treaty on the Functioning of the European Union, and in particular point (a) of Article 77(2) thereof,

Having regard to the proposal from the European Commission,

After transmission of the draft legislative act to the national parliaments,

Acting in accordance with the ordinary legislative procedure,

Whereas:

- (1) ~~Council Regulation (ECU) No 539/2001~~2018/1806<sup>1</sup> lists the third countries whose nationals must be in possession of a visa when crossing the external borders of the Member States and those whose nationals are exempt from that requirement. The composition of the lists of third countries in Annexes I and II should be, and should remain, consistent with the criteria set out therein. References to third countries in respect of which the situation has changed as regards those criteria should be transferred from one annex to the other, as appropriate.

---

\* This designation is without prejudice to positions on status, and is in line with UNSCR 1244/1999 and the ICJ Opinion on the Kosovo declaration of independence.

<sup>1</sup> ~~Council Regulation (ECU) No 539/2001 of 15 March 2001~~ 2018/1806 of 14 November 2018 listing the third countries whose nationals must be in possession of visas when crossing the external borders and those whose nationals are exempt from that requirement, OJ L ~~81~~303, ~~21.03.2001~~28.11.2018, p. ~~1~~39.

- (2) The criteria which should be taken into account when determining – based on a case-by-case assessment – the third countries whose nationals are subject to, or exempt from, the visa requirement are laid down in Article -1 of Regulation (ECU) No ~~539/2001~~**2018/1806**. They include “illegal immigration, public policy and security, economic benefit, in particular in terms of tourism and foreign trade, and the Union’s external relations with the relevant third countries, including, in particular, considerations of human rights and fundamental freedoms, as well as the implications of regional coherence and reciprocity”.
- (3) ~~{Kosovo has met the requirements of its visa liberalisation roadmap. On the basis of this assessment and taking account of all the criteria listed in Article -1 of Regulation (ECU) No 539/2001~~**2018/1806**, it is appropriate to exempt ~~persons~~**holders of passports issued by** Kosovo from the visa requirement when travelling to the territory of the Member States.~~}~~  
**The exemption from the visa requirement will ensure that the whole Western Balkan region will be under the same visa regime.**
- (4) Kosovo should thus be transferred from Annex I, Part 2 to Regulation (ECU) No ~~539/2001~~**2018/1806** to Annex II, Part 4 thereof. This visa waiver should apply only to holders of biometric passports issued in line with the standards of International Civil Aviation Organisation (ICAO)-~~and Council Regulation (EC) No 2252/2004~~<sup>2</sup>. **It should not apply until the effective start of operation of the European Travel Information and Authorisation System (ETIAS)**<sup>3</sup>, **but in any case no later than 1<sup>st</sup> January 2024.**
- (5) **Without prejudice to the position of Member States on the status of Kosovo, in the period until the effective start of visa liberalisation and where applicable, Kosovo should seek to conclude readmission agreements or arrangements with the Member States not having such an agreement or arrangement concluded yet and should fulfill its obligations under these agreements or arrangements.**
- (6) **Kosovo has made significant progress in all blocks of the visa roadmap, i.e.document security, border and migration management, including asylum, public order and security, and fundamental rights related to the freedom of movement. To ensure well-managed migration and a secure environment, Kosovo should seek to further align its visa policy with the visa policy of the European Union.**

- (57) The visa exemption is dependent upon the continued implementation of the requirements of the visa liberalisation roadmap. The Commission will actively monitor the implementation of these requirements, **including visa policy alignment**, through the post-visa liberalisation mechanism. The visa exemption may be suspended by the EU in line with the suspension mechanism established by Article 1a8 of Regulation (ECU) No ~~539/2001~~ **2018/1806**, as amended by Regulation xxx should the conditions set out therein be met.
