"The Czech Republic holds the view that Council decisions adopted in accordance with Article 218 TFEU throughout the process of concluding the so-called mixed agreements should relate to individual agreements in their entirety. A splitting into two decisions, each of them referring to different articles of an agreement, does not seem to be necessary and could lead to cumbersome procedures.

The Czech Republic notes that the established practice has been to conclude only one Council decision relating to an agreement as a whole. With respect to the Case C-377/12 *European Commission against Council of the European Union*, pending before the Court of Justice of the European Union, we consider the modification of this practice as premature."

<u>SK</u> made a statement on the following item:

- 65. Proposal for a Council Decision requiring Member States to ratify or to accede to the Hong Kong International Convention for the Safe and Environmentally Sound recycling of ships, 2009, in the interest of the European Union
 - Approval of the Presidency compromise text
 15526/13 ENV 995 MAR 165 TRANS 553 COMER 248

"The Slovak Republic has concerns relating to usage of the Article 218 paragraph 6(a)(v)
TFEU and the first sub paragraph of Article 218 paragraph 8 TFEU as a legal basis of the
Council decision concerning the ratification of, or the accession to, the Hong Kong
International Convention for the Safe and Environmentally Sound Recycling of Ships, 2009,
by the Member States in the interests of the European Union.

According to the Slovak Republic, the Article 218 TFEU is applicable only to international agreements concluded by the European Union.

Article 218 paragraph 1 TFEU states that "agreements between the Union and third countries or international organisations shall be negotiated and concluded in accordance with the following procedure".

The phrase "in accordance with the following procedure " takes all the paragraphs of Article 218 TFEU into account.

The Slovak Republic agrees with the Council Decision concerning the ratification of, or the accession to, the Hong Kong International Convention for the Safe and Environmentally Sound Recycling of Ships, 2009, by the Member States in the interests of the European Union without prejudice to its reservation against the use of Article 218 TFEU as a legal basis for the decision of the Council."

15196/13 COPEN 165 EUROJUST 95 EJN 67 CODEC 2348

The Committee approved the package including a fundamental rights clause.

As regards the fundamental rights refusal ground, the <u>Council Legal Service</u>, supported the Presidency's suggestions, underlying the necessity to add a reference to the Charter, and not only having the reference to Article 6 TEU. The <u>Council Legal Service</u> further pointed out the need of a recital underpinning the fundamental rights clause in Article 10 and as a consequence, supported the addition of recital 12aaa that takes account of the N.S judgement (C-411/10) by the ECJ.

<u>UK</u> indicated that it had a parliamentary scrutiny reservation.

<u>CZ</u> said that it had two outstanding issues, *ne bis in idem* and the territoriality ground before it could agree to the package.

<u>DE</u> asked that Article 9(1a) be clarified to make sure that the setting out that certain measures always have to be applicable does not preclude the use of the grounds for refusal in Article 10 to these measures.
