COMMISSION STAFF WORKING DOCUMENT

Updated climate tracking and digital tagging of the Recovery and Resilience Plan of Latvia

Accompanying the document

Proposal for a COUNCIL IMPLEMENTING DECISION

amending the Implementing Decision of 13 July 2021 on the approval of the assessment of the recovery and resilience plan for Latvia

{COM(2025) 717 final}

EXECUTIVE SUMMARY

The modifications submitted by Latvia under Article 21(1) of Regulation (EU) 2021/241 affect 75 measures in total. Latvia requested to modify these 75 measures due to objective circumstances.

In addition, the proposed amendments to the Latvian Recovery and Resilience Plan aim to adapt the plan in line with the Communication from the Commission to the European Parliament and the Council "NextGenerationEU – the Road to 2026"[1].

Based on the assessment of the submitted modifications, the Latvian modified plan receives an A-rating on all criteria except for costing, where the plan receives a B-rating (unchanged from the original plan assessment).

Updated climate tracking and digital tagging of the Recovery and Resilience Plan of Latvia

The table below presents the detailed application of the climate tracking and digital tagging methodologies set out respectively in Annexes VI and VII to Regulation (EU) 2021/241 in the modified Latvian recovery and resilience plan.

Int. Field = intervention field.

Coeff. = Coefficient for the calculation of support to climate change objectives and to digital transition, on the basis of Annex VI and Annex VII of the RRF Regulation.

New or revised measures are marked in yellow to distinguish them from the unchanged measures in the RRP.

*7.4.i.	Increasing the uptake of sustainable biomethane	1.50	033	100%	033	40%

As the amount of the estimated total costs of the amended RRP is equal to the updated maximum financial contribution available for Latvia, all spending related to the measures mentioned in this table as contributing to climate objectives are fully financed by the funds from the Recovery and Resilience Facility.

* Reforms and investments in the REPowerEU chapter are not taken into account when calculating the plan's contribution to the digital target requirement set by Regulation (EU) 2021/241.
