Subject:	AOB for the meeting of the Council "Competitiveness" (Internal Market, Industry, Research and Space) on 8 and 9 December 2025 Presentation of the results of the 2025 ESA Ministerial Council - Information from the Presidency

Delegations will find below information from the European Space Agency with a view to the Presidency AOB on “Presentation of the results of the 2025 ESA Ministerial Council” at the Competitiveness Council on 9 December 2025, in the presence of the Director-General of the European Space Agency.

The European Space Agency (ESA) Council at Ministerial Level in Bremen delivered a record-breaking EUR 22.3 billion in commitments from its Member States. This marks a turning point for Europe’s space technology strategy. With historic funding and a renewed focus on sovereignty, resilience, and competitiveness, ESA is ready to deliver the technologies that will shape the future of space.
