LEGISLATIVE ACTS AND OTHER INSTRUMENTS

Subject: Draft DECISION OF THE EU-UKRAINE ASSOCIATION COUNCIL as regards the establishment of the Public Administration Reform Sub-Committee under the Association Agreement between the European Union and the European Atomic Energy Community and their Member States, of the one part, and Ukraine of the other part, and on the endorsement of the establishment of the Joint Consultative Committee between the European Committee of the Regions and Ukraine

DECISION No X/2025

OF THE EU-UKRAINE ASSOCIATION COUNCIL

of … [date]

as regards the establishment of the Public Administration Reform Sub-Committee under the Association Agreement between the European Union and the European Atomic Energy Community and their Member States, of the one part, and Ukraine of the other part, and the endorsement of the establishment of the Joint Consultative Committee between the European Committee of the Regions and Ukraine

THE EU-UKRAINE ASSOCIATION COUNCIL,

Having regard to the Association Agreement between the European Union and the European Atomic Energy Community and their Member States, of the one part, and Ukraine, of the other part ('the Agreement'), and Article 463 in conjunction with Article 466 thereof,

RECOGNISING that Public Administration Reform (PAR) is a fundamental pillar of the enlargement process, and strengthening capacities of the public institutions will be crucial for Ukraine to advance on its EU integration path, and that dialogue and cooperation between local authorities in the European Union and those in Ukraine may provide an integral contribution to the development of their relations and to the integration of Ukraine into the Union,

ACKNOWLEDGING that the establishment of an annual PAR Sub-Committee represents an important step forward in strengthening EU and Ukraine relations and enhancing policy dialogue in this crucial area, and that the endorsement of the establishment of the Joint Consultative Committee (JCC) between the European Committee of the Regions (CoR) and Ukraine and the elected local and regional authorities (LRAs) of Ukraine would strengthen direct dialogue between them,

NOTING that the PAR Sub-Committee will serve as a platform for strategic policy dialogue and will facilitate discussions and coordination on key reforms in the area of public administration and that it will play a central role in monitoring of the PAR roadmap implementation and providing guidance to ensure alignment with European standards and best practices; and that the JCC would serve as a platform to share the EU best practices on local and regional governance and matters linked to the implementation of the Association Agreement at the territorial level, thus providing a consistent and a stable form of cooperation with the Ukrainian LRAs and allowing them to have an active role by co-leading the JCC and co-shaping its agenda, and issuing recommendations.

Whereas:

(1) Pursuant to Article 463 of the Agreement, the Association Council has the power to take decisions for the purpose of attaining the objectives of the Agreement.

(2) Pursuant to Article 466 (2) of the Agreement, the Association Council may decide to set up any special committee or body in specific areas necessary for the implementation of this Agreement, and shall determine the composition, duties and functioning of such bodies.

(3) In order to allow for expert level discussions on the key areas falling within the scope of the application of the Agreement, the PAR Sub-Committee and the JCC should be established.
