## **I. INTRODUCTION**

The year 2022 was dedicated to stock-taking and preparation of the future cooperation under the new EU-OACPS Partnership Agreement. In addition, the ACP-EU Council of Ministers in 2022 discussed current global affairs, including food and energy security and continued the dialogue on cooperation in international fora between the two sides.

In parallel, the ACP-EU Council of Ministers continued to develop ACP-EU cooperation in other areas related to its three pillars: political cooperation, economic development and trade cooperation and development finance cooperation.

## **II. ACTIVITIES OF THE ACP-EU COUNCIL OF MINISTERS AND ITS PREPARATORY BODIES IN SPECIFIC AREAS OF COOPERATION**

### **1. Political cooperation**

In 2022, the ACP-EU Council of Ministers focused on political cooperation in three main areas: current global affairs, including food and energy security, the new EU-OACPS Partnership Agreement and EU-OACPS cooperation in international fora.

In the discussion on current global affairs, the Parties reaffirmed the paramount importance of the Charter of the United Nations in the promotion of the rule of law among nations, took note of their respective efforts to address food and energy security and encouraged for continued cooperation on these important matters.

The Parties discussed the state-of-play of the finalisation of the process towards the signature of the new EU-OACPS Partnership Agreement, and encouraged timely signature and preparation for its application.

Strengthening cooperation in international fora was deemed by both sides to be a key element for the new ACP-EU Partnership Agreement. The Parties assessed the outcomes of the United Nations Climate Change Conference (COP27) and urged for preparation of COP28. They agreed to continue collaboration in order to contribute to the success of the 15<sup>th</sup> Conference of the Parties (COP15) to the United Nations Convention on Biological Diversity. They took note of the initiatives of Slovenia, Spain, Barbados, Chad and Vanuatu.

At its meeting on 29 November 2022, the ACP-EU Council of Ministers examined the results of the ACP-EU Joint Parliamentary Assembly sessions from 2019 to 2022, which had taken place in Bucharest and Kigali in 2019, in virtual setting in 2020 and 2021, and in Strasbourg and in Maputo in 2022. It adopted the report to the ACP-EU Joint Parliamentary Assembly on the implementation of the ACP-EU Partnership Agreement in 2019-2022.

## **2. Economic development and trade cooperation**

Economic development and trade cooperation figured highly on the agenda of the ACP-EU Council of Ministers.

Regarding trade cooperation, the discussions of the ACP-EU Council of Ministers focused on Economic Partnership Agreements (EPA), as well as a broad range of issues and EU initiatives affecting the ACP-EU trading regime. Furthermore, the Parties exchanged views on non-cooperative jurisdictions for tax purposes and fight against money laundering and terrorist financing, acknowledged the convergence of views on the importance of these policy areas and encouraged strengthened dialogue on these matters.

## **3. Development finance cooperation**

In the area of development finance cooperation, the Parties discussed the implementation of the EDF and NDICI-Global Europe. The ACP-EU Council of Ministers took note of the information provided on the Global Gateway Strategy, its relevance for the OACPS and implementation of NDICI-Global Europe.
