From:	General Secretariat of the Council
To:	Delegations
No. Cion doc.:	ST 9672/17 + ADD 1
Subject:	Proposal for a Directive of the European Parliament and of the Council amending Directive 1999/62/EC on the charging of heavy goods vehicles for the use of certain infrastructures – Revised four column table

Delegations' attention is drawn to the following change compared to ST 5050/4/21 REV 4 as regards line 420, where the fourth column should read as follows:

“PY proposes to make a move towards the EP as regards deleting "linear" and "and shall not lead to additional costs being passed on to other users in the form of higher tolls.".

As regards the rest of the provision, discussion on the correct legal drafting and references is still ongoing at technical level"
