Subject: Draft Council Conclusions on reliable and resilient connectivity

DOCUMENT PARTIALLY ACCESSIBLE TO THE PUBLIC (26.02.2025)

INTRODUCTION

1. The PL Presidency presented the first draft of the Council Conclusions on reliable and resilient connectivity during the meeting of WP TELECOM of 21 January 2025, where delegations provided their first comments orally.
2. Based on the written submissions received from the delegations afterwards, the PL Presidency drafted the first compromise proposal, which can be found in the annex of this document.
3. The PL Presidency invites delegations to analyse the compromise text and prepare their inputs for the WP TELECOM meeting of **11 February 2025**, when this compromise text will be discussed.
4. The changes in the document compared to the initial text are underlined: additions are marked with **bold text**, deletions with strikethrough.
