- Adoption of the political agreement with a view to an early second reading agreement with the European Parliament

5109/15 STATIS 1 ECOFIN 10 CODEC 18

approved by Coreper, Part 2, on 21.01.2015

The Council adopted the political agreement on the above text. The Austrian and United Kingdom delegations indicated their intention to vote against at the formal adoption of the legal text. The UK delegation entered the statement below.

Statement by the United Kingdom

"With reference to the proposal for a Regulation of the European Parliament and of the Council amending Regulation (EC) no. 223/2009 on European Statistics, the United Kingdom considers that, while Article 338(1) TFEU is the legal basis for Regulation 223/2009, it does not constitute an appropriate legal basis for Article 12.3(b) of the proposed regulation. The latter Article provides for a competence of the European Commission to initiate and conduct an investigation where sectoral legislation provides for fines in cases where Member States misrepresent statistical data. The United Kingdom underlines that Article 338 TFEU does not provide for the imposition of fines or other sanctions in the field of statistics in sectoral legislation, therefore Article 12.3(b) is not considered as a legally permissible basis for future sectoral legislation".
