The rules applicable to the European Globalisation Adjustment Fund for Displaced Workers (EGF) are laid down in Regulation (EU) 2021/691 of the European Parliament and of the Council of 28 April 2021 on the European Globalisation Adjustment Fund for Displaced Workers (EGF) and repealing Regulation (EU) No 1309/2013 (the 'EGF Regulation'). This Regulation covers applications for the mobilisation of the EGF submitted to the Commission as of 1 January 2021.

The budgetary provisions related to the EGF are set in point 9 of the Interinstitutional Agreement of 16 December 2020 between the European Parliament, the Council of the European Union and the European Commission on budgetary discipline, on cooperation in budgetary matters and on sound financial management, as well as on new own resources, including a roadmap towards the introduction of new own resources.

In accordance with Article 11(1) of the EGF Regulation, up to 0,5 % of the annual ceiling of the EGF may be made available for technical assistance at the initiative of the Commission.

d) Detailed grounds for the increase

In 2022, the amount of EUR 290 000 is requested in order to cover the technical assistance related to the EGF, i.e. 0,14% of the annual ceiling of the EGF. It is well below the 0,5% allowed by Article 11(1) of the EGF Regulation. The contribution will be used for expenditure mentioned in Article 11(1) and (4) as well as Article 12(2), (3) and (4) of the EGF Regulation, as detailed hereunder.

Administrative expenditure - EUR 190 000:

- The Expert Group of Contact Persons of the EGF will be holding its regular meetings (in the first and second half of 2022, and the first half of 2023). Due to the pandemic, the 2021 meeting was entirely virtual. According to current planning, in 2022, meetings with physical presence are likely to resume;
- In order to promote networking among the Member States, the Commission will organise one seminar with the participation of EGF implementing bodies and social partners. This will be scheduled the day preceding an Expert Group meeting in 2022. The meeting will likely take place as a physical meeting;
- Information activities: the EGF's online presence, which the Commission has set up within its Employment, Social Affairs and Inclusion area, and which it is maintaining as required under Article 12(2) of the EGF Regulation, will be regularly updated and expanded, with each new element being translated into all EU languages. General awareness of the EGF will be increased and its visibility promoted. The EGF will be covered in various Commission publications and audio-visual activities as provided for in Article 11(1) of the EGF Regulation.

Technical expenditure - EUR 100 000:

- Maintenance and update of an electronic data exchange system: The Commission is continuing its work on standardised procedures for EGF applications and management, using the functionalities of the Shared Fund Management Common System (SFC). This includes in particular the maintenance of the SFC 2014-2020 application, and further development needed for the closure of cases, as well as further development of the EGF 2021-2027 interface in SFC, in particular new functionalities and adjustments to align SFC with the requirements of the EGF Regulation 2021-2027;
- Monitoring and data gathering: the Commission will collect data on applications received, paid and wound up, and measures proposed and implemented. This data will be made available on the web site and compiled in appropriate form for future biennial reports.
