1. Following the Council's adoption of Regulation (EU) No 1053/2013 establishing an evaluation and monitoring mechanism to verify the application of the Schengen acquis, a team of experts from the Member States and the Commission carried out an evaluation of the Czech Republic on the application of the Schengen acquis in the field of the Schengen Information System in 2019.

2. In accordance with that Regulation, the Commission submitted to the Council a proposal for a Council Implementing Decision setting out a Recommendation designed to address the deficiencies identified in the course of the evaluation and ensure that the Czech Republic applies all Schengen rules related to the Schengen Information System correctly and effectively.
