NOTE

From: General Secretariat of the Council
To: Delegations
Subject: Commission proposal amending Directive 1999/2/EC on foods and food ingredients treated with ionising radiation - deadline to react: 2 February 2024 at 12h00

Following the examination of the proposal at the Counsellors/Attachés (Agri – Food and Food Systems) meeting on 29 January 2024, delegations are invited to inform the Council Secretariat (LIFE.3@consilium.europa.eu) of any objection or requests for amendment, **by Friday 2 February 2024 at 12h00.**

In the absence of a response from delegations within the above-mentioned deadline, the proposal will be considered as agreed by the Counsellors/Attachés (Agri – Food and Food Systems) in relation to the deletion of the reporting obligations of Directive 1999/2/EC regarding the results of official controls carried out in food irradiation facilities or on irradiated food placed on the market.
