Subiect:	Proiect de decizie a Consiliului de prelungire a mandatului Reprezentantului Special al Uniunii Europene pentru regiunea Marilor Lacuri Africane - Adoptare

1. La 26 ianuarie 2010, Înalțul Reprezentant a propus prelungirea mandatului Reprezentantului Special al Uniunii Europene pentru regiunea Marilor Lacuri Africane până la 31 august 2010, în așteptarea unor noi evoluții privind instituirea Serviciului european de acțiune externă. La 29 ianuarie, Comitetul politic și de securitate a convenit asupra acestei propuneri.
2. La 12 februarie 2010, Grupul de lucru al consilierilor pentru relații externe a convenit asupra textului unui proiect de decizie a Consiliului de prelungirea a mandatului RSUE și asupra fișei financiare aferente acestuia.
3. În cursul discuțiilor privind fișele financiare, grupul de lucru a subliniat faptul că RSUE ar trebui să recurgă, după caz, la contractele-cadru negociate de Comisie pentru achizițiile publice de servicii și echipamente.

5.1.1. Objectives pursued

In accordance with Article 2 of **Council Decision 2010/.../CFSP of .../02/2010**, the mandate of the EUSR shall be based on the policy objectives of the European Union regarding the further stabilisation and consolidation of the post conflict situation in the African Great Lakes Region paying particular attention to the regional dimension of the developments in the countries concerned. Promoting in particular the compliance with the basic norms of democracy and good governance, including respect for human rights and the rule of law, these objectives include:

- (a) contributing actively and effectively to a consistent, sustainable and responsible policy of the EU in the African Great Lakes Region, and promoting a coherent overall EU approach in the region. The EUSR shall support the work of the HR in the region;
- (b) ensuring the continued commitment of the EU to the stabilisation and reconstruction processes in the region, through an active presence on the ground and in relevant international fora, staying in touch with key players and contributing to crisis management;
- (c) contributing to the post-transition phase in the Democratic Republic of the Congo (DRC), in particular as regards the political process of consolidating the new institutions and defining a broader international framework for political consultation and coordination with the new government;
- (d) contributing, in close cooperation with the United Nations/MONUC, to the international support efforts to pursue a comprehensive Security Sector Reform in the DRC, in particular in view of the coordinating role the EU is ready to assume in this context;
- (e) contributing to appropriate follow-up measures to the International Conference of the Great Lakes Region, in particular by establishing close contacts with the Great Lakes Secretariat and its Executive Secretary as well as with the Troika of the follow-up mechanism and by promoting good neighbourly relations in the region;

- (f) addressing the still considerable problem of armed groups operating across the borders, which risks destabilising the countries in the region and aggravating their internal problems;
- (g) contributing to the post-conflict stabilisation in Burundi, Rwanda and Uganda, in particular through accompanying peace negotiations with armed groups such as the FNL and LRA.

5.1.2. Measures taken in connection with ex ante evaluation

The first mandate of the EUSR was adopted in 1996 and has been renewed 18 times. Each renewal is preceded by a political assessment by the Council.

5.1.3. Measures taken following ex post evaluation

The Council undertakes reviews at the end of each EUSR mandate on the basis of document Review of Mandates of EUSRs (doc. 6436/03 of 14 February 2003). The most recent review was conducted by the Africa Working Group on 25 November 2009 (COREU CFSP/SEC 2331/09 of 20/11/2009). The review recommended the continuation of the mandate.

5.2. Actions envisaged and arrangements for budget intervention

The mandate of the EUSR, as specified in Article 3 of **Council Decision 2010/.../CFSP of .../02/2010**, will be to:

- (a) establish and maintain close contact with the countries of the Great Lakes Region, the United Nations, the African Union, key African countries and main partners of the DRC and the EU, as well as regional and sub-regional African organisations, other relevant third countries and other key regional leaders;
- (b) advise and report on the possibilities for the EU to support the stabilisation and consolidation process and on how best to pursue EU initiatives;
- (c) provide advice and assistance for security sector reform (SSR) in the DRC;
- (d) contribute to the follow-up to the International Conference of the Great Lakes Region, in particular by supporting policies, defined in the region, which pursue the objectives of non-violence and mutual defence in the resolution of conflicts as well as, regarding regional cooperation, by promoting human rights and democratisation, good governance, judicial cooperation, and the fight against impunity and the illegal exploitation of natural resources;

- (e) contribute to a better understanding of the role of the EU among opinion leaders in the region;
- (f) contribute, where requested, to the negotiation and implementation of peace and cease-fire agreements between the parties and engage with them diplomatically in the event of non-compliance with the terms of these agreements; in the context of the ongoing LRA negotiations, such activities should be pursued in close coordination with the EUSR for Sudan;
- (g) contribute to the implementation of the EU human rights policy and EU Guidelines on human rights, in particular the EU Guidelines on Children and Armed Conflict, and the EU policy regarding UN Security Council Resolution 1325(2000) on Women, Peace and Security, including by monitoring and reporting on developments in this regard.

The main beneficiaries are the countries and people of the African Great Lakes Region, in particular the Democratic Republic of Congo, Rwanda and Burundi.

5.3. Methods of implementation

The EU Special Representative will sign a Special Adviser contract with the Commission. He will be accountable to the Commission for the management of expenditure relating to the mandate.
