Subject:	Draft Council Implementing Decision setting out a recommendation on addressing the deficiencies identified in 2019 - 2020 thematic evaluation of Member States' national strategies for integrated border management - Decision to use the written procedure for the adoption

1. Following the Council's adoption of Regulation (EU) No 1053/2013 establishing an evaluation and monitoring mechanism to verify the application of the Schengen acquis, a team of experts from the Member States and the Commission carried out a thematic evaluation of Member States' national strategies for integrated border management in 2019-2020.
2. In accordance with that Regulation, the Commission submitted to the Council a proposal for a Council Implementing Decision setting out a Recommendation designed to address the deficiencies identified in the course of the evaluation and ensure that Member States apply all Schengen rules related to national strategies for integrated border management correctly and effectively.

3. The Working Party for Schengen Matters (Evaluation), including the Mixed Committee partners Norway, Iceland, Switzerland and Liechtenstein, agreed on the proposal for the Council Implementing Decision setting out a Recommendation on 16 February 2021.
