NOTE

From:	General Secretariat of the Council
To:	Delegations
No. Cion doc.:	ST 5779/22 + ADD 1 - COM(2022) 54 final
Subject:	Proposal for a Council Regulation amending Regulation (EU) 2022/109 fixing for 2022 the fishing opportunities for certain fish stocks and groups of fish stocks applicable in Union waters and for Union fishing vessels in certain non-Union waters - Greek comments

Delegations will find attached written comments by the Greek delegation on the above-mentioned document.

On Amendments in relation to ICCAT, and more particularly ANNEX IV, Table A the historical rights of Greece are not accurately represented, while we have transferred the licence of 1 Purse Seine to Italy for 2022, as well as in 2021, therefore we would propose a **redrafting of footnote (5)** concerning Greece, as follows:

(5) one medium-size purse seine has been replaced by no more than 10 longline vessels

We believe that the redraft of (5) in combination with the wording in footnote (7) reflect the historical rights of the country, as well as the transfer of the use of 1 PS to Italy for 2022 and can be acceptable.
