### COVER NOTE

COTENNOTE	
From:	Eurojust
date of receipt:	21 February 2019
To:	Delegations
Subject:	Annexes to the proposal for a Regulation on European Production and Preservation Orders for electronic evidence in criminal matters
	- contribution from Eurojust

Delegations will find in Annex a contribution from Eurojust on the Annexes to the proposal for a

Regulation on European Production and Preservation Orders for electronic evidence in criminal

matters prepared as a follow-up to the Presidency invitation.

Due to time constraints the considered joint contribution by EJN, Eurojust and EJCN was not feasible, however the networks and Eurojust consulted each other, shared and exchanged views on specific parts of the certificates.

This contribution is intended to support the discussion on that issue at the upcoming COPEN WP meeting to be held on 1 March 2019.
