OUTCOME OF PROCEEDINGS

From: General Secretariat of the Council
To: Delegations
Subject: The EU list of non-cooperative jurisdictions for tax purposes

- Compilation of commitment letters received from jurisdictions

On 14 February 2018, the Code of Conduct Group (Business Taxation) agreed to request the consent of the jurisdictions, for which high level political commitments have been accepted as sufficient by the Council, to publish their relevant commitment letter(s) on the Council's public website, considering the public interest of disclosing these letters.

The letters for which such consent has effectively been received by the General Secretariat of the Council are published progressively through addenda to the present document. In some cases, the jurisdictions requested clerical corrections or updates to the timelines annexed to their letters before publication: such modifications have been accepted.
