In recital 2:

for: ‘Article 29(2) and (3) of Regulation (EU) 2025/40 impose on economic operators that use those transport packaging formats a 100% re-use target for transports within the same company or linked or partner companies in the Union, and for transports between companies within the same Member State. The exemptions of pallet wrappings and straps from the scope of Article 29(2) and (3) imply that the reuse quotas of Article 29(1) do not apply to these types of use.’
