Subject:	Proposal for a REGULATION OF THE EUROPEAN PARLIAMENT AND OF THE COUNCIL amending Regulation (EU) No 508/2014 as regards certain rules relating to the European Maritime and Fisheries Fund by reason of the withdrawal of the United Kingdom from the Union - Outcome of the European Parliament's first reading, (Strasbourg, 11 to 14 March 2019)

I. INTRODUCTION

The chair of the Committee on Fisheries, Alain CADEC (EPP, FR), presented a report on behalf of the Committee, aiming at taking over the Commission proposal for a Regulation of the European Parliament and of the Council amending Regulation (EU) No 508/2014 as regards certain rules relating to the European Maritime and Fisheries Fund by reason of the withdrawal of the United Kingdom from the Union.

II. VOTE

The Parliament adopted its first-reading position on 13 March 2019 by taking over the Commission proposal. This position is contained in its legislative resolution as set out in the Annex hereto.

On 20 February 2019, the Permanent Representatives Committee had approved the Commission's proposal without amendments. The Council should therefore be in a position to approve the European Parliament's position. The legislative act would then be adopted in the wording which corresponds to the European Parliament's position.

Rules relating to the European Maritime and Fisheries Fund following the UK's withdrawal from the Union ***I

European Parliament legislative resolution of 13 March 2019 on the proposal for a regulation of the European Parliament and of the Council amending Regulation (EU) No 508/2014 as regards certain rules relating to the European Maritime and Fisheries Fund by reason of the withdrawal of the United Kingdom from the Union (COM(2019)0048 – C8-0037/2019 – 2019/0009(COD))

– after consulting the European Economic and Social Committee,

P8_TC1-COD(2019)0009

Position of the European Parliament adopted at first reading on 13 March 2019 with a view to the adoption of Regulation (EU) 2019/… of the European Parliament and of the Council amending Regulation (EU) No 508/2014 as regards certain rules relating to the European Maritime and Fisheries Fund following the withdrawal of the United Kingdom from the Union

THE EUROPEAN PARLIAMENT AND THE COUNCIL OF THE EUROPEAN UNION,

Having regard to the Treaty on the Functioning of the European Union, and in particular Articles 42 and 43(2) thereof,

Having regard to the proposal from the European Commission,

After transmission of the draft legislative act to the national parliaments,

After consulting the European Economic and Social Committee,

Acting in accordance with the ordinary legislative procedure[1],

[1] Position of the European Parliament of 13 March 2019.

Whereas:

(1) On 29 March 2017, the United Kingdom submitted the notification of its intention to withdraw from the Union pursuant to Article 50 of the Treaty on European Union (TEU). The Treaties will cease to apply to the United Kingdom from the date of entry into force of a withdrawal agreement or, failing that, two years after that notification, namely from 30 March 2019, unless the European Council, in agreement with the United Kingdom, unanimously decides to extend that period.

(2) The withdrawal agreement published in the *Official Journal of the European Union* on 19 February 2019[2] contains arrangements for the application of provisions of Union law to the United Kingdom beyond the date on which the Treaties cease to apply to the United Kingdom. If that agreement enters into force, the Common Fisheries Policy (CFP) will apply to the United Kingdom during the transition period in accordance with that agreement and will cease to apply at the end of that period.

[2] OJ C 66 I, 19.2.2019, p. 1.

(3) When the CFP ceases to apply to the United Kingdom, United Kingdom waters (territorial sea and adjacent exclusive economic zone) will no longer be part of Union waters. Consequently, in the absence of a withdrawal agreement, Union vessels risk losing access to United Kingdom waters and fishing opportunities therein from 30 March 2019. This would have a significant impact in terms of fishing activities of the Union fleet and economic returns.

(4) Measures are already available under Regulation (EU) No 508/2014 of the European Parliament and of the Council[3] that can be used for mitigating the adverse economic effects due to the withdrawal of the United Kingdom from the Union throughout the whole chain of production and marketing.

[3] Regulation (EU) No 508/2014 of the European Parliament and of the Council of 15 May 2014 on the European Maritime and Fisheries Fund and repealing Council Regulations (EC) No 2328/2003, (EC) No 861/2006, (EC) No 1198/2006 and (EC) No 791/2007 and Regulation (EU) No 1255/2011 of the European Parliament and of the Council (OJ L 149, 20.5.2014, p. 1).

(5) Regulation (EU) No 508/2014 lays down the rules and arrangements for granting financial compensation to fishermen and owners of fishing vessels in cases of temporary cessation of fishing activities. The criteria to allow for temporary cessation do not allow for compensation due to the withdrawal of a Member State from the Union and the subsequent loss of access to and fishing opportunities within the waters of that State.

(6) In addition to the measures already available under Regulation (EU) No 508/2014, in order to mitigate the adverse economic effects caused by the withdrawal of a Member State from the Union, public support for the temporary cessation of fishing activities should be available for fishermen and operators that have significant dependence on access to United Kingdom waters.

(7) Regulation (EU) No 508/2014 should therefore be amended accordingly.

(8) The remaining appropriations are available to be dedicated to any eligible measure mitigating the consequences of the withdrawal of the United Kingdom from the Union.

(9) For the sake of simplification, Member States concerned are invited to consider combining amendments to their operational programme within the context of Article 22(4) of Regulation (EU) No 1303/2013 of the European Parliament and of the Council[4].

[4] Regulation (EU) No 1303/2013 of the European Parliament and of the Council of 17 December 2013 laying down common provisions on the European Regional Development Fund, the European Social Fund, the Cohesion Fund, the European Agricultural Fund for Rural Development and the European Maritime and Fisheries Fund and laying down general provisions on the European Regional Development Fund, the European Social Fund, the Cohesion Fund and the European Maritime and Fisheries Fund and repealing Council Regulation (EC) No 1083/2006 *(OJ L 347, 20.12.2013, p. 320).*

(10) In view of the need to ensure, prior to the date of the withdrawal of the United Kingdom from the Union, the availability of support under the European Maritime and Fisheries Fund for temporary cessation of fishing activities by Union fishing vessels with significant dependence on access to United Kingdom waters in the event that the United Kingdom does not grant access to those waters from the date of the United Kingdom's withdrawal from the Union, which could be 30 March 2019, it was considered appropriate to provide for an exception to the eight-week period referred to in Article 4 of Protocol No 1 on the role of national Parliaments in the European Union, annexed to the TEU, to the Treaty on the Functioning of the European Union and to the Treaty establishing the European Atomic Energy Community.

(11) This Regulation should enter into force as a matter of urgency on the day following that of its publication in the *Official Journal of the European Union* and should apply from the day following that on which the Treaties cease to apply to the United Kingdom, unless a withdrawal agreement concluded with the United Kingdom has entered into force by that date,

HAVE ADOPTED THIS REGULATION:

This Regulation shall be binding in its entirety and directly applicable in all Member States.
