Subject:	Proposal for a REGULATION OF THE EUROPEAN PARLIAMENT AND OF THE COUNCIL on the statute and funding of European political parties and European political foundations (recast) - Guidance for further work

I. BACKGROUND

1. With a view to resuming negotiations with the European Parliament on the above proposal, the Committee of Permanent Representatives held an exchange of views on 8 March 2023 to discuss possible ways forward and new compromise options on the main outstanding issues in the negotiations with the European Parliament.

The PT delegation maintains a general parliamentary scrutiny reservation at this stage.

2. On the basis of the positions expressed by delegations, the Presidency has adapted the table in the Annex to this note and introduced new text on two elements relating to the provisions of the membership of non-EU parties in EUPPFs. More specifically, the new text proposed by the Presidency:

- (i) enlarges the geographical scope of associated members (in order to include all six Western Balkan partners, including Kosovo¹ through its stabilisation and association agreement with the EU) and,
- (ii) restricts further the participation of non-EU parties in EUPPFs' decision-making by introducing an obligation for European political parties and foundations to ensure that 'associated members' and their representatives are not granted any voting rights and cannot receive executive powers by delegation in the governing bodies.

II. PRESIDENCY UPDATED SUGGESTIONS FOR A POSSIBLE COMPROMISE

3. Delegations will find below the adjustments made on the two aforementioned issues:

- a) Updated proposal on the geographical scope of associated members (in order to include Kosovo through its stabilisation and association agreement with the EU) (see in the Annex Art. 2 (4 bis new) - row 100 bis):

'Associated member parties' are political parties having their seat in an EFTA country, in a former EU Member State, in a candidate country, or in a country entitled to use the euro as official currency on the basis of a monetary agreement with the EU, and partners having a stabilisation and association agreement with the EU.

'Associated member organisations' means organisations having their seat in an EFTA country, in a former EU Member State, in a candidate country, or in a country entitled to use the euro as official currency on the basis of a monetary agreement with the EU, and partners having a stabilisation and association agreement with the EU.

- b) Updated proposal on the restriction of participation of non-EU parties in EUPPFs' internal decision-making (see in the Annex, Art. 4 (2) bis - row 174 bis, as well as Art. 6 (2) bis - row 201 bis):

4(2 bis) 'The statutes of European political parties shall ensure that associated member parties and their representatives are not granted any voting rights and cannot receive executive powers by delegation in the governing bodies'.

6(2 bis) 'The statutes of European political foundations shall ensure that associated member organisations and their representatives are not granted any voting rights and cannot receive executive powers by delegation in the governing bodies'.

The implementation of this provision will be monitored by the Authority for European Political Parties and Foundations and ultimately subject to de-registration in case of non-compliance (see in the Annex Art. 7 (2) (2), row 211 among others).

¹ This designation is without prejudice to positions on status, and is in line with UNSCR 1244/1999 and the ICJ Opinion on the Kosovo declaration of independence.

III. CONCLUSIONS

4. The Permanent Representatives Committee is invited to agree to the Presidency updated compromise proposals as set out in the Annex to this note (in the fourth column of the table), with a view to resuming discussions with the European Parliament on that basis.
5. The Presidency will report to the Committee on the next developments.
