Subject:	Proposal for a Regulation of the European Parliament and of the Council on preventing plastic pellet losses to reduce microplastic pollution - Preparation for the trilogue

In ST 7422/25 INIT, the following text should appear at the end of paragraph iv. on page 6:

“The Presidency believes that lighter regime reducing the burden on the smaller enterprises while keeping environmental integrity of the Regulation is the key to ensure support of all institutions involved. The Presidency will pursue an outcome from the negotiations that reflects the core rationale of the Council General Approach.”

And paragraph v. on page 7 should read as follows:

“v. Compliance through permits in Art. 5a [rows 121a-g] and exemptions for operators registered in EMAS and EMS from obligations under the Regulation [rows 123-123d] for which the Presidency suggests to keep the solutions from the General Approach.”
