NOTE

From:	General Secretariat of the Council
To:	Antici Group (Simplification)
No. Cion doc.:	6609/25
Subject:	Proposal for a REGULATION amending Regulation (EU) 2023/956 as regards simplifying and strengthening the carbon border adjustment mechanism - Presidency compromise text

The Presidency compromise text set out in doc. 7437/25 shall be adjusted as follows:

1. Article 5(5):

a) point (g) shall read as follows:

"(g) estimated ~~**monetary value,** **and**~~ volume of imports of goods into the customs territory of the Union by type of goods **and information on the Member States of import**, for the calendar year during which the application is submitted, and for the following calendar year;"

b) point (ga) shall be inserted:

"**(ga) authorised economic operator (AEO) number, if applicable;**"

2. Article 24(1) shall read as follows:

"1. On 1 ~~July~~ ~~October~~**November** of each year, the Commission shall cancel any CBAM certificates that were purchased during the year before the previous calendar year and that remained in the account of an authorised CBAM declarant in the CBAM registry. Those CBAM certificates shall be cancelled without any compensation."
