NOTE

from:	Bulgarian Permanent Representation
to	Delegations
Subject:	Council Framework Decision 2006/783/JHA of 6 October 2006 on the application of the principle of mutual recognition to confiscation orders – the Republic of Bulgaria

Delegations will find enclosed the notification made by Bulgaria in relation to the abovementioned framework decision.

**DECLARATIONS AND NOTIFICATIONS BY THE REPUBLIC OF BULGARIA
IN ACCORDANCE WITH ARTICLE 3, ARTICLE 7(5) AND ARTICLE 19 OF
COUNCIL FRAMEWORK DECISION 2006/783/JHA OF 6 OCTOBER 2006 ON THE
APPLICATION OF THE PRINCIPLE OF MUTUAL RECOGNITION TO
CONFISCATION ORDERS**

The Republic of Bulgaria hereby notifies the General Secretariat of the Council of the following declarations and notifications pursuant to Council Framework Decision 2006/783/JHA of 6 October 2006 on the application of the principle of mutual recognition to confiscation orders and the Law on the recognition, execution and transmission of decisions on confiscation or seizure and decisions on the enforcement of financial penalties adopted by the National Assembly of the Republic of Bulgaria on 11 February 2010 (published in the State Journal of the Republic of Bulgaria No 15 of 23 February 2010), which transposes the abovementioned Framework Decision into the law of the Republic of Bulgaria.

1) Notification pursuant to Article 3 of Framework Decision 2006/783/JHA (determination of the competent authorities):

(a) When the Republic of Bulgaria is the executing State:

The competent authorities with regard to the recognition of confiscation or seizure orders shall be the provincial courts and Sofia City Court. With regard to compulsory enforcement, the competent authority shall be the National Revenue Agency.

The certificate, together with the confiscation or seizure order, should be sent to the provincial court at the person's place of domicile or habitual residence – in the case of legal persons, it should be sent to the provincial court at the place of the seat, administrative address or address used for correspondence on the territory of the Republic of Bulgaria.

Orders for the confiscation or seizure of a property or a financial sum shall be recognised by the provincial court at the location of the property or at the place of the source of the person concerned's income. If the property liable for confiscation or seizure includes more than one property, the order shall be recognised by the provincial court at the place of the property with the highest value for taxation purposes. If two or more confiscation or seizure orders, issued in connection with one and the same person or property are sent to two different courts for recognition at the same time, the court competent to pronounce on all decisions shall be the court which first initiated proceedings. If the person's place of domicile or habitual residence – or, in the case of legal persons, the seat, administrative address or address used for correspondence on the territory of the Republic of Bulgaria – cannot be established, the competent court for examining the decision shall be Sofia City Court.
