**DECLARATIONS AND NOTIFICATIONS BY THE REPUBLIC OF BULGARIA  
TO THE GENERAL SECRETARIAT OF THE COUNCIL  
IN CONNECTION WITH THE APPLICATION OF  
COUNCIL FRAMEWORK DECISION 2005/214/JHA OF 24 FEBRUARY 2005  
ON THE APPLICATION OF THE PRINCIPLE OF  
MUTUAL RECOGNITION OF FINANCIAL PENALTIES**

The Republic of Bulgaria hereby notifies the General Secretariat of the Council of the following declarations and notifications pursuant to Council Framework Decision 2005/214/JHA of 24 February 2005 on the application of the principle of mutual recognition of financial penalties and the Law on the recognition, execution and transmission of decisions on confiscation or seizure and decisions on the enforcement of financial penalties adopted by the National Assembly of the Republic of Bulgaria on 11 February 2010 (published in the State Journal of the Republic of Bulgaria No 15 of 23 February 2010), which transposes the abovementioned Framework Decision into the law of the Republic of Bulgaria.

**1) Notification pursuant to Article 2 of Framework Decision 2005/214/JHA (determination of the competent authorities):**

**(a) When the Republic of Bulgaria is the executing State:**

The competent authorities with regard to the recognition of decisions on the enforcement of financial penalties shall be the provincial courts and Sofia City Court. With regard to compulsory enforcement, the competent authority shall be the National Revenue Agency.

The certificate, together with the decision on the enforcement of financial penalties, should be sent to the provincial court at the person's place of domicile or habitual residence – in the case of legal persons, it should be sent to the provincial court at the place of the seat, administrative address or address used for correspondence on the territory of the Republic of Bulgaria. In cases where the person's domicile or habitual residence, or, in the case of legal persons, the seat, administrative address or address used for correspondence on the territory of the Republic of Bulgaria is not indicated on the certificate, the decision on the enforcement of financial penalties shall be recognised by the provincial court at the address of the property indicated on the certificate or at the place of the source of the person concerned's income. If two or more decisions on the enforcement of financial penalties issued in connection with one and the same person or property are sent to two different courts for recognition at the same time, the court competent to pronounce on all decisions shall be the court which first initiated proceedings. If the person's place of domicile or habitual residence – or, in the case of legal persons, the seat, administrative address or address used for correspondence on the territory of the Republic of Bulgaria – cannot be established, the competent court for examining the decision shall be Sofia City Court.
