In the Annex to Decision 2014/145/CFSP, the entries concerning the persons listed below are replaced by the following entries:

Persons

	Name	Identifying information	Reasons	Date of listing
92.	Arkady Romanovich ROTENBERG Arkadii Romanovich ROTENBERG (Аркадий Романович РОТЕНБЕРГ)	Gender: male DOB: 15.12.1951 POB: Leningrad, former USSR (now St. Petersburg, Russian Federation)	Arkady Rotenberg is a prominent Russian businessman who has close personal ties to President Putin. Since March 2014, Rotenberg, or his companies, have received State contracts totalling over USD 7 billion. In 2015, Rotenberg led the annual list of government contracts in terms of value, after being awarded contracts worth RUB 555 billion from the Russian Government. Many of these contracts were awarded without formal competitive processes. On 30 January 2015, Prime Minister Dmitry Medvedev signed a decree that awarded to Rotenberg's company, Stroygazmontazh, a State contract for the construction of the Kerch bridge from Russia to the illegally annexed Autonomous "Republic of Crimea". Through these contracts, he has financially benefited from Russian decision-makers responsible for the annexation of Crimea or the destabilisation of eastern Ukraine. Former owner of the company Stroygazmontazh, which has been awarded a State contract for the construction of the Kerch bridge from Russia to the illegally annexed Autonomous "Republic of Crimea", therefore consolidating its integration	15 March 2015
