CUSTOMS DUTIES ON PRODUCTS ORIGINATING IN CARIFORUM STATES

1. Without prejudice to paragraphs 2, 4, 5, 6 and 7 customs duties of the EC Party (hereinafter "EC customs duties") shall be entirely eliminated on all products of Chapters 1 to 97 of the Harmonized System, except those of Chapter 93 thereof, originating in a CARIFORUM State upon the entry into force of this Agreement. For products of Chapter 93 the EC Party shall continue to impose the applied MFN duties.
2. EC customs duties on the products of tariff heading 1006 originating in the CARIFORUM States shall be eliminated as from 1 January 2010, with the exception of EC customs duties on the products of subheading 1006 10 10 which shall be eliminated as from the entry into force of this Agreement. Until EC customs duties on the products of tariff heading 1006 originating in the CARIFORUM States are entirely eliminated, a tariff rate quota at zero duty of 187 000 tonnes shall be opened for calendar year 2008 for all products of tariff heading 1006 except for subheading 1006 10 10 originating in the CARIFORUM States. The tariff rate quota for calendar year 2009 shall be 250 000 tonnes.
3. The EC Party and the Signatory CARIFORUM States agree that the provisions of Protocol 3 of the Cotonou Agreement (hereinafter the "Sugar Protocol") shall remain applicable until 30 September 2009, and that after that date the Sugar Protocol shall no longer be in force between them. For the purposes of Article 4(1) of the Sugar Protocol, the delivery period 2008/9 will last from 1 July 2008 to 30 September 2009. The guaranteed price for 1 July-30 September 2009 shall be decided following the negotiation provided for in Article 5(4).
4. EC Customs duties on products of tariff heading 1701 originating in a CARIFORUM State shall be eliminated as from 1 October 2009. Until EC customs duties are entirely eliminated, and in addition to the allocations of tariff rate quotas at zero duty set out in the Sugar Protocol, a tariff rate quota at zero duty of 60 000 tonnes shall be opened for marketing year² 2008/2009 for products of subheading 1701, white sugar equivalent, originating in the CARIFORUM States, 30 000 tonnes of which will be reserved for the Dominican Republic. No import license shall be granted with regard to products to be imported under this additional tariff rate quota, unless the importer undertakes to purchase such products at a price at least equal to the guaranteed prices fixed for sugar imported into the EC Party under Sugar Protocol.
5. (a) The EC Party may, during the period between 1 October 2009 and 30 September 2015 impose the applied Most Favoured Nation duty on the products originating in CARIFORUM States of tariff heading 1701 sugar imported in excess of the following levels expressed in white sugar equivalent, which are deemed to cause a disturbance in the EC Party sugar market:

² For the purpose of paragraphs 4, 5, 6 and 7 "marketing year" means the period between 1 October and 30 September.

- (i) 3.5 million tonnes in a marketing year of such products originating in States members of the African, Caribbean and Pacific Group of States (ACP States) signatory to the Cotonou Agreement, and
 - (ii) 1.38 million tonnes in marketing year 2009/2010 of such products originating in ACP States that are not recognised by the United Nations as least developed countries. The figure of 1.38 million tonnes shall increase to 1.45 million tonnes in marketing year 2010/2011, and 1.6 million tonnes in the following four marketing years.
- (b) The importation of products of tariff heading 1701 originating in any CARIFORUM State that is recognised by the United Nations as a least developed country shall not be subject to the provisions of sub-paragraph 5(a). However, such imports shall remain subject to the provisions of article 25 of the Agreement.³
- (c) The imposition of the applied Most Favoured Nation duty shall cease at the end of the marketing year during which it was introduced.
- (d) Any measure taken pursuant to this paragraph shall be notified immediately to the CARIFORUM-EC Trade and Development Committee and shall be the subject of periodic consultations within that body.
6. As of 1 October 2015, for the purpose of the application of the provisions of Article 25 of the Agreement, disturbances in the markets of products of tariff heading 1701 may be deemed to arise in situations where the European Community market price of white sugar falls during two consecutive months below 80 percent of the European Community market price for white sugar prevailing during the previous marketing year.
7. From 1 January 2008 until 30 September 2015 products of tariff heading 1704 90 99, 1806 10 30, 1806 10 90, 2106 90 59 and 2106 90 98 shall be subject to a special surveillance mechanism in order to ensure the arrangements provided for in paragraph 4 and 5 are not circumvented. In the event of a cumulative increase of imports of such products originating in CARIFORUM States by more than 20 percent in volume during a period of 12 consecutive months compared to the average of the yearly imports over the three previous 12 month periods, the EC Party shall analyse the pattern of trade, the economic justification and the sugar content of such imports and, if it considers that such imports are used to circumvent the arrangements provided for in paragraphs 4 and 5, it may suspend the preferential treatment and introduce the specific MFN duty applied to imports pursuant to the European Community Common Customs Tariff for products of tariff heading 1704 90 99, 1806 10 30, 1806 10 90, 2106 90 59 and 2106 90 98 originating in CARIFORUM States. Sub-paragraphs 5(b), (c) and (d) shall apply mutatis mutandis to action under this paragraph.

³ For this purpose and by way of derogation to Article 25 of the Agreement, individual Signatory CARIFORUM State recognised by the United Nations as a least developed country may be subject to safeguard measures.

8. Between 1 October 2009 and 30 September 2012 with regard to the products of tariff heading 1701, no preferential import license shall be granted unless the importer undertakes to purchase such products at a price not lower than 90 percent of the reference price set by the EC Party for the relevant marketing year.
9. Paragraph 1 shall not apply to products of tariff heading 0803 0019 originating in CARIFORUM States and released for free circulation in the outermost regions of the EC Party. Paragraph 1, 3 and 4 shall not apply to products of tariff heading 1701 originating in CARIFORUM States and released for free circulation in the French outermost regions. These provisions shall be applicable for a period of ten years. This period shall be extended for a further period of ten years unless the Parties agree otherwise.

Annex 4. I

LISTS OF COMMITMENTS ON COMMERCIAL PRESENCE

(referred to in Article 69)

EC PARTY

1. The list of commitments below indicates the economic activities liberalised by the EC Party pursuant to Article 69 and, by means of reservations, the market access and national treatment limitations that apply to establishments and investors of the CARIFORUM States in those activities. The lists are composed of the following elements:

- (a) A first column indicating the sector or sub-sector in which the commitment is assumed by the Party, and the scope of liberalisation to which the reservations apply.

- (b) A second column describing the applicable reservations.

When the column referred to under (b) only includes Member State-specific reservations, Member States not mentioned therein undertake commitments in the sector concerned without reservations (the absence of Member State-specific reservations in a given sector is without prejudice to horizontal reservations or to sectoral EC-broad reservations that may apply).

Sectors or sub-sectors not mentioned in the list below are not committed.

2. In identifying individual sectors and sub-sectors:

- (a) ISIC rev 3.1 means the International Standard Industrial Classification of all Economic Activities as set out in Statistical Office of the United Nations, Statistical Papers, Series M, N° 4, *ISIC REV 3.1*, 2002.

- (b) CPC means the Central Products Classification as set out in Statistical Office of the United Nations, Statistical Papers, Series M, N° 77, *CPC prov*, 1991.

- (c) CPC ver. 1.0 means the Central Products Classification as set out in Statistical Office of the United Nations, Statistical Papers, Series M, N° 77, *CPC ver 1.0*, 1998.

3. The list below does not include measures relating to qualification requirements and procedures, technical standards and licensing requirements and procedures when they do not constitute a market access or a national treatment limitation within the meaning of Articles 67 and 68 of the Agreement. Those measures (e.g. need to obtain a license, universal service obligations, need to obtain recognition of qualifications in regulated sectors, need to pass specific examinations, including language examinations, non-discriminatory requirement that certain activities may not be carried out in environmental protected zones or areas of

particular historic and artistic interest), even if not listed, apply in any case to investors of the other Party.

4. In accordance with Article 60(3) of the Agreement, the list below does not include measures concerning subsidies granted by the Parties.
5. In accordance with Articles 67 of the Agreement non-discriminatory requirements as regards the types of legal form of an establishment are not included in the list below.
6. The rights and obligations arising from this list of commitments shall have no self-executing effect and thus confer no rights directly to individual natural persons or juridical persons.

EC PARTY

1. The list of commitments below indicates the services sectors liberalised by the EC Party pursuant to Article 78 of the Agreement, and, by means of reservations, the market access and national treatment limitations that apply to CARIFORUM services and services suppliers in those sectors. The list is composed of the following elements:

 - (b) A second column describing the applicable reservations

When the column referred to under (b) only includes Member State-specific reservations, Member States not mentioned therein undertake commitments in the sector concerned without reservations (the absence of Member State-specific reservations in a given sector is without prejudice to horizontal reservations or to sectoral EC-broad reservations that may apply).

Cross-border supply of services in sectors or sub-sectors covered by this Agreement and not mentioned in the list below is not committed.
2. In identifying individual sectors and sub-sectors:

Those measures (e.g. need to obtain a license, universal service obligations, need to obtain recognition of qualifications in regulated sectors, need to pass specific examinations, including language examinations), even if not listed, apply in any case to CARIFORUM service suppliers.
4. The list below is without prejudice to the feasibility of Mode 1 in certain services sectors and sub-sectors and without prejudice to the existence of public

monopolies and exclusive rights as described in the list of commitments on establishment.

(referred to in article 69)

CARIFORUM PARTY AND SIGNATORY CARIFORUM STATES

1. This “List of Commitments on Investment (Commercial Presence) in Economic Activities other than Services Sectors” (hereinafter referred to as the "Schedule") is limited to non-service sectors as described by the International Standard Industrial Classification of all Economic Activities as set out by the Statistical Office of the United Nations (ISIC Rev. 3.1). It includes the following sectors:
 - A. Agriculture, hunting and forestry
 - B. Fishing
 - C. Mining and quarrying
 - D. Manufacturing
 - E. Production, transmission and distribution on own account of electricity, gas, steam and hot water
2. This Schedule sets out the reservations taken by signatory CARIFORUM States with respect to measures that do not conform with obligations set out in Title II of this Agreement. Only sectors in which there are reservations or limitations are listed but the Schedule covers all sub-sectors of the four sectors listed above.
3. This Schedule includes all CARIFORUM States, except The Bahamas and Haiti, unless otherwise stated. Sub-sectors of A, B, C and D that are not listed are open in all Signatory CARIFORUM States without limitations in market access or national treatment. CARIFORUM States that are not listed in sub-sectors included in this list are open without limitations on market access or national treatment in these sub-sectors.
4. Subject to article 238, the reservations listed in this Schedule apply only to the relations between signatory CARIFORUM States on the one hand and the European Community and its Member States on the other and do not affect the rights and obligations of the signatory CARIFORUM States arising from obligations under the Revised Treaty of Chaguaramas Establishing the Caribbean Community including the CARICOM Single Market and Economy, or the CARICOM-Dominican Republic Free Trade Agreement.
5. The CARIFORUM Party reserves the right to set out in its Schedule, within two years of the date of entry into force of this Agreement, any non-conforming measures existing at the time of the signature of this Agreement not hereinunder listed.
6. This Schedule cannot be construed as committing in any way to the privatisation of public undertakings nor as preventing any Signatory CARIFORUM State from

regulating any sector or economic activity in order to meet national policy objectives.

7. The Schedule below does not include measures relating to qualification requirements and procedures, technical standards and licensing requirements and procedures when they do not constitute a market access or a national treatment limitation within the meaning of Articles 67 and 68 of the Agreement. Those measures (e.g. need to obtain a license, need to register with the Registrar of Companies, universal service obligations, need to obtain recognition of qualifications in regulated sectors, need to pass specific examinations, including language examinations, non-discriminatory requirement that certain activities may not be carried out in environmental protected zones or areas of particular historic and artistic interest), even if not listed, apply in any case to investors of the other Party.
8. Non-discriminatory requirements as regards the types of legal form of an establishment are not included in the list below.

 - 1) Supply from the territory of a Party into the territory of the other Party (Mode 1);
 - 2) Supply in the territory of a Party to the service consumer of the other Party (Mode 2);
 - 3) Supply through commercial presence (Mode 3);
 - 4) Supply through the presence of natural persons (Mode 4).
3. With regard to the categories of natural persons listed in Chapter 4 of Title II the following should be noted:

Key Personnel and Graduate Trainees – where there is a commitment in Mode 3 there is an automatic commitment regarding temporary entry for these categories of persons, subject to an economic needs test, unless otherwise indicated.

Contractual service suppliers (CSS) and independent professionals (IP) – commitments are undertaken only where specifically indicated in the Schedule by CSS or IP. Where a commitment on contractual service suppliers or independent professionals is included in this Schedule it is subject to the conditions stipulated in Article 83, unless otherwise stated.
4. Where there is an indication of “None” for Mode 4 it means that there are no limitations or restrictions for all categories of natural persons except contractual service suppliers and independent professionals.
5. In those sectors in which economic needs tests (ENTs) are applied for Mode 4, the main criterion will be availability of persons with the requisite skills in the local labour market. With regard to other modes of supply, the main criteria for ENTs will be the assessment of the relevant market situation where the service is to be provided, with respect to the number of, and the impact on, existing service suppliers.

6. This Schedule includes all CARIFORUM States, except The Bahamas and Haiti, unless otherwise stated.
7. Subject to article 238, the market access commitments and reservations listed in this Schedule apply only to the relations between the Signatory CARIFORUM States on the one hand and the European Communities and their Member States on the other and do not affect the rights and obligations of the signatory CARIFORUM States arising from obligations under the Revised Treaty of Chaguaramas Establishing the Caribbean Community including the CARICOM Single Market and Economy, or the CARICOM-Dominican Republic Free Trade Agreement.
8. This Schedule of commitments cannot be construed as offering in any way the privatisation of public undertakings nor as preventing any Signatory CARIFORUM State from regulating any sector or economic activity in order to meet national policy objectives.
9. With regard to the economic activities covered in Chapters 2 and 3 of Title II, other than public services, without prejudice to the content of the list of commitments on commercial presence and on cross-border supply in this Annex, the Signatory CARIFORUM States shall maintain the conditions of market access and national treatment in the meaning of Articles 67 and 68, and Articles 76 and 77 applicable according to their respective legislation to services, service suppliers, investors and commercial presences of the EC Party at the time of the signature of this Agreement.
10. The Schedule of commitments may not include measures relating to qualification requirements and procedures, technical standards and licensing requirements and procedures when they do not constitute a market access or a national treatment limitation within the meaning of Articles 67 and 68, and 76 and 77 of the Agreement. Those measures (e.g. need to obtain a license, need to register with the Registrar of Companies, universal service obligations, need to obtain recognition of qualifications in regulated sectors, need to pass specific examinations, including language examinations, non-discriminatory requirement that certain activities may not be carried out in environmental protected zones or areas of particular historic and artistic interest), even if not listed, apply in any case to service suppliers of the other Party.
11. The rights and obligations arising from this Schedule of commitments shall have no self-executing effect and thus confer no rights directly to natural persons or juridical persons.
