From:	General Secretariat of the Council
To:	Permanent Representatives Committee/Council
Subject:	Draft REGULATION OF THE EUROPEAN PARLIAMENT AND OF THE COUNCIL setting CO2 emission performance standards for new passenger cars and for new light commercial vehicles, and repealing Regulations (EC) No 443/2009 and (EU) No 510/2011 (recast) (first reading) - Adoption of the legislative act

1. On 8 November 2017 the Commission sent the above proposal¹, based on Article 192(1) TFEU, to the Council.
2. The European Economic and Social Committee delivered its opinion on 14 February 2018².
3. The Committee of the Regions was consulted.
4. On 27 March 2019 the European Parliament adopted its position at first reading on the Commission proposal. The outcome of voting in the European Parliament reflects the compromise agreement reached between the institutions and should, therefore, be acceptable to the Council³.

¹ 14217/17.

² OJ C 227, 28.6.2018, p. 52.

³ 7726/19.

5. The Permanent Representatives Committee is therefore asked to confirm its agreement and to suggest that the Council:
- approve the European Parliament's position, as set out in PE-CONS 6/19, as an "A" item at a forthcoming meeting, with Hungary voting against and Bulgaria abstaining;
 - decide that the statements in the addendum to this note be entered in the minutes of that meeting.

If the Council approves the European Parliament's position, the legislative act will be adopted.

After being signed by the President of the European Parliament and the President of the Council, the legislative act will be published in the Official Journal of the European Union.
