He still runs his business activities in the Donbass region controlled by the separatists groups, especially in the energy, coal, construction, banking and real estate sectors. 210.	Viktor Fedorovich YANUKOVYCH (Віктор Федорович ЯНУКОВИЧ)	Gender: male DOB: 9.7.1950 POB: Yenakiyevе, Donetsk Oblast (former Ukrainian SSR, now Ukraine) Nationality: Ukrainian Function: former president of Ukraine, oligarch	From 2010 until 2014, Viktor Yanukovich was President of Ukraine. He pursued a pro-Russian policy when in office. A Ukrainian court found Viktor Yanukovich guilty of treason for having invited the Russian Federation to invade Ukraine. After being removed from power, he relocated to Russia, from where he has continued his activities aimed at destabilising Ukraine. He assisted in the Russian military interference in Ukraine by calling on the President of the Russian Federation to send Russian troops to Ukraine in March 2014. Viktor Yanukovich supported pro-Russian politicians who held public offices in occupied Crimea. In 2021, a new pre-trial investigation in Ukraine was opened according to which Mr Viktor Yanukovich, together with two former Ministers of Defence, has purposefully reduced the defence capacity of Ukraine, particularly in the Autonomous Republic of Crimea. He considers himself as the legitimate President of Ukraine and has consistently presented a pro-Russian stance in his public interventions. According to different sources, Mr Viktor Yanukovich has been part of a Russian special operation, aimed at replacing the Ukrainian President with him, during the first phases of the unprovoked illegal military aggression against Ukraine. Furthermore, the President of the Republic of Chechnya Ramzan Kadyrov, has requested the President of Ukraine to transfer all his powers to Viktor Yanukovich.	+?
