Subject:	Proposal for a Regulation of the European Parliament and of the Council on streamlining measures for advancing the realisation of the trans-European transport network - Working Party on Transport - Intermodal Questions and Networks: Outcome of written consultation

The third trilogue with the European Parliament on the above proposal will be held on 8 June 2020. In order to prepare the negotiations, the Presidency prepared a draft mandate under ST 15152/4/19 REV 4 and launched a written consultation of the Intermodal Transport Working Party with deadline of 26 May at close of business. One delegation submitted comments in writing to the Presidency (cf. WK 5668/20).

The draft mandate contained in ST 15152/4/19 REV 4 was subsequently discussed at the informal videoconference of the members of the Working Party on Transport - Intermodal Questions and Networks on 27 May 2020.

In the light of the written comment received and the discussion at the informal videoconference of 27 May, the Presidency has prepared a revised mandate (cf. ST 8211/20), which in preparation for the third trilogue has been submitted to Coreper on 3 June.
