'I' ITEM NOTE

From:	Presidency
To:	Permanent Representatives Committee (Part 2)
Subject:	Mandates of Council preparatory bodies <i>Approval</i>

I. INTRODUCTION

1. In June 2019 the European Council approved a new strategic agenda for 2019-2024 wherein it is stated that "*each institution should revisit its working methods and reflect on the best way to fulfil its role under the Treaties.*"
2. This launched a reflection process at the level of the Permanent Representatives Committee in the second half of 2019.
3. As regards Council preparatory bodies, in September 2019, the Permanent Representatives Committee tasked the Antici and Mertens Groups to come up with an assessment and possible proposals for review. On this basis, an issues paper regarding Council preparatory bodies was to be presented by the Presidency. The outcome of these discussions was discussed in the Permanent Representatives Committee in December 2019.

4. Building on the work done by previous Presidencies, technical analysis provided by the GSC and extensive consultations, the Presidency prepared a list of the preparatory bodies (5754/2/21 REV 2).
5. In February 2021, the Permanent Representatives Committee approved, in accordance with Article 19(3) of the Council's Rules of Procedure, the above-mentioned list of the preparatory bodies and took note that the list should be applied as from 1 July 2021.
6. The Permanent Representatives Committee tasked the Antici and Mertens Groups to coordinate the establishment of mandates of 23 new working groups.
7. In April 2021, the relevant working groups have been consulted on the proposed mandates. Subsequently, the Antici and Mertens Groups prepared the approval of the mandates by the Permanent Representatives Committee.
8. The approval of the mandate of the Working Party "E-justice" requires a consequential modification of the Council Decision 2009/908/EU laying down measures for the implementation of the European Council Decision on the exercise of the Presidency of the Council, and on the chairmanship of preparatory bodies of the Council. The text of the modification of that Council Decision is set out in the Annex II to this Note.

II. CONCLUSION

9. In light of above, the Permanent Representatives Committee is invited to:
 - approve the 23 mandates as set out in the Annex I to this note;
 - to confirm its agreement on and the transmission to the Council of the text of the Council Decision amending Council Decision 2009/908/EU laying down measures for the implementation of the European Council Decision on the exercise of the Presidency of the Council, and on the chairmanship of preparatory bodies of the Council, as set out in the Annex II to this note, subject to its revision by lawyers linguists.
