Subject: COUNCIL REGULATION amending Regulation (EU) 2017/2454 as regards the dates of application in response to the COVID-19 pandemic

COUNCIL REGULATION (EU) 2020/...

of ...

amending Regulation (EU) 2017/2454

as regards the dates of application in response to the COVID-19 pandemic

THE COUNCIL OF THE EUROPEAN UNION,

Having regard to the Treaty on the Functioning of the European Union, and in particular Article 113 thereof,

Having regard to the proposal from the European Commission,

After transmission of the draft legislative act to the national parliaments,

Having regard to the opinion of the European Parliament¹,

Having regard to the opinion of the European Economic and Social Committee²,

Acting in accordance with a special legislative procedure,

¹ Opinion of ... [not yet published in the Official Journal].

² Opinion of ... [not yet published in the Official Journal].

Whereas:

- (1) Council Regulation (EU) No 904/2010¹ lays down rules on the exchange and storage of information by Member States in order to establish the special schemes provided for by Chapter 6 of Title XII of Council Directive 2006/112/EC².
- (2) Council Regulation (EU) 2017/2454³ amends those provisions to extend the scope of those special schemes and introduce a new scheme. Those amendments are to be applied from 1 January 2021.
- (3) On 30 January 2020, the World Health Organization (WHO) declared the COVID-19 outbreak a public health emergency of international concern. On 11 March 2020, the WHO declared the COVID-19 outbreak a pandemic. The COVID-19 pandemic has affected all Member States. Due to the alarming increase in the number of cases and the lack of efficient means immediately available to deal with the COVID-19 pandemic, numerous Member States have declared a national state of emergency.

¹ Council Regulation (EU) No 904/2010 of 7 October 2010 on administrative cooperation and combating fraud in the field of value added tax (OJ L 268, 12.10.2010, p. 1).

² Council Directive 2006/112/EC of 28 November 2006 on the common system of value added tax (OJ L 347, 11.12.2006, p. 1).

³ Council Regulation (EU) 2017/2454 of 5 December 2017 amending Regulation (EU) No 904/2010 on administrative cooperation and combating fraud in the field of value added tax (OJ L 348, 29.12.2017, p. 1).

- (4) The COVID-19 pandemic constitutes an unexpected and unprecedented emergency that deeply affects all Member States and obliges them to take immediate action at national level to deal with the ongoing crisis as a priority by reallocating resources reserved for other issues. As a result of this crisis, several Member States are encountering difficulties in finalising the development of IT systems necessary for the application of Regulation (EU) 2017/2454 as of 1 January 2021. Some Member States have therefore asked for the postponement of the dates of application of Regulation (EU) 2017/2454.
- (5) Taking into consideration the challenges that Member States face in tackling the COVID-19 crisis and the fact that the new provisions are based on the principle that all Member States have to update their IT systems in order to be able to apply Regulation (EU) 2017/2454, and ensure the collection and transmission of information and payments under the modified schemes, it is necessary to postpone the dates of application of that Regulation by six months. A postponement of six months is appropriate, as the delay should be kept as short as possible in order to minimise additional budgetary losses for Member States.

- (6) In view of the significant impact of the economic disturbances and possible additional difficulties resulting from the COVID-19 pandemic and in order to support the correct and timely application of the new VAT e-commerce rules, the Commission could work closely with the Member States concerned to monitor the adaptation of the national IT systems and to provide technical assistance whenever needed.
- (7) Regulation (EU) 2017/2454 should therefore be amended accordingly,

HAS ADOPTED THIS REGULATION:
