Proposal for a

COUNCIL DECISION

on the signing, on behalf of the European Union and its Member States, and provisional application of a Protocol amending the Euro-Mediterranean Aviation Agreement between the European Community and its Member States, of the one part, and the Kingdom of Morocco, of the other part, to take account of the accession to the European Union of the Republic of Croatia

EXPLANATORY MEMORANDUM

1. CONTEXT OF THE PROPOSAL

• Reasons for and objectives of the proposal

The Euro-Mediterranean Aviation Agreement between the European Community and its Member States, of the one part, and the Kingdom of Morocco, of the other part, was negotiated on the basis of an authorisation to negotiate granted by the Council on 5 December 2004; the Agreement was signed on 12 December 2006.

The Republic of Croatia acceded to the European Union on 1 July 2013. Pursuant to Article 6(2) of the Act concerning the Conditions of Accession, Croatia undertook to accede to the agreements concluded or signed by the Member States and the Union with one or more third countries or an international organisation, including the Euro-Mediterranean Aviation Agreement with Morocco.

According to the provisions of the above-mentioned Article 6(2), ‘the accession of Croatia to such agreements shall be agreed by the conclusion of a protocol to such agreements between the Council, acting unanimously on behalf of the Member States, and the third country or countries or international organisations concerned. The Commission [...] shall negotiate these protocols on behalf of the Member States [...]’.

The Commission has negotiated the Protocol amending the Euro-Mediterranean Aviation Agreement between the European Community and its Member States, of the one part, and the Kingdom of Morocco, of the other part.

The Protocol provides for the necessary linguistic adaptations of the Agreement that ensue from the accession of Croatia.

The objective of the present proposal is to obtain a Council decision, based on Article 218(5) of the Treaty on the Functioning of the European Union and Article 6(2) of the Act concerning the Conditions of Accession, authorising the signing of the Protocol on behalf of the Union and the Member States and its provisional application by the Union and the Member States in accordance with Article 4(2) thereof, subject to its conclusion at a later date.

• Consistency with existing policy provisions in the policy area

The provisions of the Protocol supplement the provisions of the Euro-Mediterranean Aviation Agreement between the European Community and its Member States, of the one part, and the Kingdom of Morocco, of the other part, to take account of the accession of Croatia to the European Union. That Protocol allows Croatia to honour its obligations under Article 6(2) of the Act concerning the Conditions of Accession

• Consistency with other Union policies

The Agreement with Morocco was the first comprehensive air transport agreement signed with a non-EU partner of the Union. That Agreement is an important element of the Union’s external aviation policy and is one of several Euro-Mediterranean aviation agreements, which the Union has since signed also with Israel and Jordan. The Aviation Agreement with Morocco has made it possible to nearly triple, in absolute terms, connectivity between that country and the Union. This Protocol will enable Croatia to enjoy these benefits in the same way as other Member States currently do.

2. LEGAL BASIS, SUBSIDIARITY AND PROPORTIONALITY

- **Legal basis**

Article 100(2) and Article 218(5) of the Treaty on the Functioning of the European Union, in conjunction with Article 6(2) of the Act of Accession.

- **Subsidiarity (for non-exclusive competence)**

The Protocol amends an agreement between the European Union (and its Member States) and a third country. It must therefore be signed at Union level.

- **Proportionality**

This is the standard procedure for recording the accession of a new Member State to an agreement concluded by the Union (and its Member States). The scope of the Protocol is strictly limited to the question of Croatia's accession to the Aviation Agreement with Morocco.

- **Choice of the instrument**

International agreement.
