4. On 25 April 2024 the European Parliament adopted its position at first reading on the Commission proposal[4]. The outcome of voting in the European Parliament reflects the compromise agreement reached between the institutions and should, therefore, be acceptable to the Council.

5. The Permanent Representatives Committee is therefore asked to confirm its agreement and to suggest that the Council approve the European Parliament's position, as set out in PE-CONS 45/24, as an "A" item at a forthcoming meeting, with Belgium abstaining.

6. The statement for the minutes of the Council meeting is set out in the Addendum to this note.

7. If the Council approves the European Parliament's position, the legislative act will be adopted.

   After being signed by the Presidents of the European Parliament and of the Council, the legislative act will be published in the *Official Journal of the European Union*.
