			<u><i>supervisors is essential to ensure a common supervisory approach across the Union. To be effective, it is also essential for that cooperation to be leveraged to the greatest extent possible. Accordingly, it is appropriate to mandate the Authority to decide whether it is necessary to set up AML/CFT supervisory colleges with respect to non-financial sector obliged entities that operate under the freedom to provide services or of establishment in several Member States and that have a significant annual EU-wide turnover. In addition, the Authority should facilitate the functioning of AML/CFT supervisory colleges and contribute to the convergence of supervisory practices and the promotion of high supervisory standards.</i></u>
41	(31) With the objective to increase the efficiency of the implementation of AML/CFT measures also in the non-financial sector, the Authority should also be able to investigate possible breaches or incorrect application of Union law by supervisory authorities in that sector, including public authorities overseeing SRBs.	(31) With the objective to increase the efficiency of the implementation of AML/CFT measures also in the non-financial sector, the Authority should also be able to investigate possible breaches or incorrect application of Union law by supervisory authorities in that sector, including public authorities overseeing SRBs. <u><i>These investigations are without prejudice to the powers of the Commission to launch an infringement procedure pursuant to TFEU.</i></u>	(31) With the objective to increase the efficiency of the implementation of AML/CFT measures also in the non-financial sector, the Authority should also be able to investigate possible breaches or incorrect application of Union law by supervisory authorities in that sector, including public authorities overseeing SRBs. <u><i>The national oversight authority should be able to request a derogation to that rule when there is a risk of interference with the independence of the judiciary.</i></u>

	Commission Proposal	ST 10507/22 REV1 Council Mandate	EP Mandate
41a			<p><i><u>(31a) Taking into account the cross-border nature of money laundering and terrorist financing, coordination and cooperation between FIUs are extremely important. In order to improve such coordination and cooperation, and, in particular, to ensure that subjects of the FIU's interest in other Member States are identified, along with their proceeds, and funds, the Authority and FIUs should constitute the FIU Support and Coordination Mechanism. Its aim should be preventing, detecting and effectively combating money laundering and terrorism financing in the internal market, facilitating cooperation among FIUs, supporting and, in some cases, initiating joint analyses in order to bring together all relevant information, identifying trends and factors relevant in assessing the risks of money laundering and terrorist financing at national and Union level, as well as exchanging views on cooperation-related issues such as effective cooperation among FIUs and between FIUs and third-country financial intelligence units. To that end, Europol, Eurojust and EPPO should have liaison officers based in the Authority's premises in order to ensure a smooth cooperation.</u></i></p>

	Commission Proposal	Council Mandate	EP Mandate
41b			<p><u><i>(31b) The Authority should support FIUs in relation to the following tasks: to support, coordinate and, where necessary, direct joint analyses to be performed with the relevant FIUs as well as to develop methods and procedures to coordinate and facilitate their planning, organisation and conduct; to support cooperation among FIUs, particularly by developing best practices, methods and formats; to develop expert knowledge on detection analysis and dissemination methods; to develop criteria for the identification of cross-border cases that FIUs are required to share; to prepare indicators, formats and contents for the detection and reporting of STRs and other disclosures received by FIUs; to follow the management, maintenance and update of FIU.net and the development of IT and artificial intelligence tools for secure information sharing; to follow the work of international and European fora on FIU-related matters. In performing those tasks, the Authority should have dedicated human, financial and IT resources, and should guarantee their independence from the supervisory functions provided for in Chapter II, Sections 2 to 6.</i></u></p>

	Commission Proposal	ST 10507/22 REV1 Council Mandate	EP Mandate
			<i><u>(62a) It is essential that the Union joins global efforts in fighting money laundering and terrorist financing, notably the work carried out by international organisations active in the field of AML/CFT such as the Financial Action Task Force (FATF). The Commission endorsed, on behalf of the Union, the Ministerial Declaration of the FATF, as well as the revised FATF Mandate at the 12 April 2019 FATF Ministerial Meeting. As a member of FATF, the Commission needs to ensure a united, common, consistent and effective representation of the Union's interests in FATF. Given its tasks and powers in the field of AML/CFT, the Authority should contribute to the representation of the Union and the defence of its interests in international fora, including by assisting the Commission in its tasks relating to Union membership of the FATF and by supporting the work and objectives of the Egmont Group of FIUs and of MONEYVAL, among others.</u></i>
73	(63) Since the Authority will have a full range of powers and tasks related to direct and indirect supervision and oversight of all obliged entities, it is necessary that these powers remain consolidated within one Union body, and do not give rise to conflicting competences with other Union bodies.
