<sup>2</sup> Directive 2003/87/EC of the European Parliament and of the Council of 13 October 2003 establishing a scheme for greenhouse gas emission allowance trading within the Community and amending Council Directive 96/61/EC (OJ L 275, 25.10.2003, p. 32).

3. On 24 March 2025, the Council decided to extend the period for raising objections by two months, i.e. until 16 June 2025, in accordance with Article 23(6) of Directive 2003/87/EC.<sup>3</sup>
  4. The Working Party on Environment has examined the delegated act and agreed that there are no grounds for the Council to object to it.
  5. It is therefore suggested that the Permanent Representatives Committee recommends that the Council confirms that it has no intention to object to the delegated act and that the Commission and the European Parliament are to be informed thereof. This implies that, unless the European Parliament objects to it, the delegated act shall be published and enter into force on the day following that of its publication in the Official Journal of the European Union in accordance with Article 2 of the Delegated Regulation.
