DSM-WUE-0816-10/2016

Warsaw, 2 June 2016 r.

In connection with the necessity to ensure internal security and public order during the Summit of the North Atlantic Treaty Organization (8-9 July 2016), World Youth Days (25-31 July 2016) and the pilgrimage of the Holy Father to Poland (28-31 July 2016), pursuant to Article 25 par. 1 and in accordance with Article 27 of the *Regulation (EU) 2016/399 of the European Parliament and of the Council of 9 March 2016 on a Union Code on the rules governing the movement of persons across borders (Schengen Borders Code)*, I have decided to reintroduce temporary border control at the internal borders, with a view to preventing entry into Poland of persons who may pose a serious threat to the public policy or internal security.

Border control will be restored for the period of 4 July – 2 August, 2016 at the state border sections with the Federal Republic of Germany, the Czech Republic, the Slovak Republic, and the Republic of Lithuania as well as at sea and air border crossing points.

The scope and intensity of border control will be limited to the necessary steps to ensure public order and internal security. Border checks will be carried out based on a risk analysis, in a flexible manner as to time and place.

Crossing of the internal border of the Republic of Poland will be allowed in the authorized crossing-points, enlisted in the attachment.

Yours faithfully,

/-/ Signed
