Delegations will find attached the draft annotated agenda for the meeting of the Working Party on Horizontal Agricultural Questions (CAP Reform) on 25 September 2019.

ANNOTATED AGENDA

25 September 2019

WORKING PARTY ON HORIZONTAL AGRICULTURAL QUESTIONS - CAP REFORM

The Presidency would like to pursue the technical examination of the proposal for a Regulation of the European Parliament and of the Council establishing rules on support for strategic plans to be drawn up by Member States under the Common agricultural policy (CAP Strategic Plans) and financed by the European Agricultural Guarantee Fund (EAGF) and by the European Agricultural Fund for Rural Development (EAFRD) and repealing Regulation (EU) No 1305/2013 of the European Parliament and of the Council and Regulation (EU) No 1307/2013 of the European Parliament and of the Council (hereinafter "**CAP Strategic Plans Regulation**").

The meeting will take place on 25 September in room EB S7 of the Europa building and start at 10.00.

Based on Member States' written comments, the Presidency will present new drafting suggestions concerning **eco-schemes** and **rural development** (document to be issued). We would propose to examine those drafting suggestions as follows:

- Part 1 (morning): rural development (Articles 64-78);
- Part 2 (afternoon): schemes for the climate and the environment (Article 28).

In each part of the meeting, the Commission will reply to relevant questions raised by Member States and delegations will be invited to express their views on the following questions:

- *Would you consider the new drafting suggestions acceptable?*
- *Are there any other issues on which you would need additional explanations?*

The Presidency intends to organise a table round for each part.
