WP COMPCRO (Internal Market) – DSA

Dear Colleagues,

We hope that you had an enjoyable and relaxing summer break and that now we are all ready to continue with the work on the DSA Regulation proposal.

We sincerely thank you for your written comments on the first compromise text. These are a necessary and valuable input for the preparation of the second redraft.

We will start with the examination of the second redraft on 9 September and will continue with the negotiations through a tight schedule all the way to the final compromise text, hoping to achieve the general approach on the COMPET Council on 25 November. We kindly ask the delegations to show a constructive approach, to reach our common objective – the agreement.

Please find here below the tentative schedule of Internal Market WP meetings for September – November.

Please do not hesitate to contact us on Signal or via e-mail if you have any further questions.

Looking forward to seeing you again!

The DSA Team, [REDACTED]
