WORKING DOCUMENT

From: General Secretariat of the Council
To: Delegations
Nº Cion doc.: ST 11657 2023 + ADD 1
Subject: Proposal for a Regulation of the European Parliament and of the Council laying down additional procedural rules relating to the enforcement of Regulation (EU) 2016/679
- Provisional version of 4-column document

In anticipation of interinstitutionnal negotiations on a proposal or a Regulation of the European Parliament and of the Council laying down additional procedural rules relating to the enforcement of Regulation (EU) 2016/679, delegations will find in annexe a provisional version of the 4-column document which includes the position of the of the European Parliament adopted at Plenary on 10 April 2024, pending confirmation of its mandate by the Parliament's new legislature. This provisional version is made available to delegations without prejudice to possible further technical edits.

Proposal for a REGULATION OF THE EUROPEAN PARLIAMENT AND OF THE COUNCIL laying down additional procedural rules relating to the enforcement of Regulation (EU) 2016/679

2023/0202(COD)

DRAFT [Provisional version - v0 - with Council and EP check]

12	(2) In order to provide for the smooth and effective functioning of the cooperation and dispute resolution mechanism provided for in Articles 60 and 65 of Regulation (EU) 2016/679, it is necessary to lay down rules concerning the conduct of proceedings by the supervisory authorities in cross-border cases, and by the Board during dispute resolution, including the handling of cross-border complaints. It is also necessary for this reason to lay down rules concerning the exercise of the right to be heard by the parties under investigation prior to the adoption of decisions by supervisory authorities and, as the case may be, by the Board.	(2) In order to provide for the smooth and effective functioning of the cooperation and dispute resolution mechanism provided for in Articles 60 and 65 of Regulation (EU) 2016/679, it is necessary to lay down rules concerning the conduct of proceedings by the supervisory authorities in cross-border cases, and by the Board during dispute resolution, including the handling of cross-border complaints. It is also necessary for this reason to lay down rules concerning the exercise of the right to be heard by the parties under investigation prior to the adoption of decisions by supervisory authorities and, as the case may be, by the Board. <i><u>This Regulation thereby aims at protecting the right to good administration as enshrined in Article 41 of the Charter of Fundamental Rights of the European Union (the 'Charter'). To achieve this objective, when applying provisions of this Regulation, all data protection authorities should act in an impartial and independent manner and in accordance with the rule of law, as enshrined in Article 2 of the Treaty on European Union.</u></i>	(2) In order to provide for the smooth and effective functioning of the cooperation and dispute resolution mechanism provided for in Articles 60 and 65 of Regulation (EU) 2016/679, it is necessary to lay down rules concerning the conduct of proceedings by the supervisory authorities in cross-border cases, and by the Board during dispute resolution, including the handling of cross-border complaints. It is also necessary for this reason to lay down rules concerning the exercise of the right to be heard by the parties under investigation prior to the adoption of decisions by supervisory authorities and, as the case may be, by the Board.	
Recital 2a				
12a				

	Commission Proposal	EP Mandate	Council Mandate	Draft Agreement
		<p><u>(2a) This Regulation and Chapter VII of Regulation (EU) 2016/679 only govern certain elements of the cooperation procedure, when supervisory authorities of more than one Member State participate in the procedure. This Regulation does not apply when a party lodges a complaint directly with a lead supervisory authority in another Member State.</u></p>		
Recital 2b				
12b		<p><u>(2b) The procedural law of each Member State should apply to the supervisory authorities insofar as this Regulation does not harmonise a matter. Some procedural elements, such as the horizontal burden of proof of the controller in Article 5(2) of Regulation (EU) 2016/679, are already governed by Union law. In line with the primacy of Union law, supervisory authorities should not apply national procedural law where it is in conflict with this Regulation and Regulation (EU) 2016/679.</u></p> <p><u>Cooperation among supervisory authorities should not be limited because of differences in national procedural law. Supervisory authorities should make use of all options under applicable national law to allow parties in another</u></p>		

	Commission Proposal	EP Mandate	Council Mandate	Draft Agreement
		<u><i>Member State to participate in procedures. This may include remote video participation, interpreters or generally available means of communication.</i></u>		
Recital 3				
13	(3) Complaints are an essential source of information for detecting infringements of data protection rules. Defining clear and efficient procedures for the handling of complaints in cross-border cases is necessary since the complaint may be dealt with by a supervisory authority other than the one to which the complaint was lodged.	(3) Complaints are an essential source of information for detecting infringements of data protection rules. Defining clear and efficient procedures for the handling of complaints in cross-border cases is necessary since the complaint may be dealt with by a supervisory authority other than the one to which the complaint was lodged. <u><i>To this end, it is recommended that an efficient mechanism for communication between supervisory authorities should be created used so as to facilitate rapid and secure sharing of information necessary to resolve complaints in accordance with data protection rules.</i></u>	(3) Complaints are an essential source of information for detecting infringements of data protection rules. Defining clear and efficient procedures for the handling of complaints in cross-border cases is necessary since the complaint may be dealt with by a supervisory authority other than the one to which the complaint was lodged.	
Recital 3a				
13a			(3a) A complaint should be understood as a claim lodged by a data subject with a supervisory authority in accordance with Article 77(1) or Article 80 of the	

	Commission Proposal	EP Mandate	Council Mandate	Draft Agreement
			<p>Regulation (EU) 2016/679, seeking protection of his or her rights due to an alleged infringement of Regulation (EU) 2016/679 by processing of the data subject's personal data. The mere reporting of alleged infringements which does not concern the processing of personal data relating to the data subject, requests for advice from controllers or processors or general requests regarding the application of the GDPR, either from controllers, processors or natural persons, should not be regarded as a complaint.</p>	
Recital 4				
14	<p>(4) In order to be admissible a complaint should contain certain specified information. Therefore, in order to assist complainants in submitting the necessary facts to the supervisory authorities, a complaint form should be provided. The information specified in the form should be required only in cases of cross-border processing in the sense of Regulation (EU) 2016/679, though the form may be used by supervisory authorities for cases that do not concern cross-border processing. The form may be submitted electronically or by post. The submission of the information</p>	<p>(4) In order to be admissible a complaint should contain certain <i><u>specified minimum</u></i> information <i><u>about the alleged violation, whether ongoing or past. The cessation of a violation should not be sufficient grounds to reject a complaint.</u></i> Therefore, in order to assist complainants in submitting the necessary facts to the supervisory authorities, a complaint <i><u>formtemplate</u></i> should be provided. The information specified in the <i><u>formtemplate</u></i> should be required only in cases of cross-border processing in the sense of Regulation (EU) 2016/679, though the form may be used by supervisory authorities for cases that do not concern cross-border processing. The form may be submitted electronically or by post. The submission of the information</p>	<p>(4) In order to be admissible a complaint should contain certain specified information. <p>listed in that form should be a condition for a complaint relating to cross-border processing to be treated as a complaint as referred to in Article 77 of Regulation (EU) 2016/679. No additional information should be required for a complaint to be deemed admissible. It should be possible for supervisory authorities to facilitate the submission of complaints in a user-friendly electronic format and bearing in mind the needs of persons with disabilities, as long as the information required from the complainant corresponds to the information required by the form and no additional information is required in order to find the complaint admissible.</p>	<p>the <i>formtemplate</i> may be used by supervisory authorities for cases that do not concern cross-border processing. The <i>forminformation</i> may be submitted electronically or by post. <i>The submission of the information listed in that form should be a condition for a complaint relating to cross-border processing to be treated as a complaint as referred to in Article 77 of Regulation (EU) 2016/679.</i> No additional information should be required for a complaint to be deemed admissible. <i>Where a complaint does not meet the minimum requirements, the supervisory authority should reject it and inform the complainant about the missing information. The complainant can then resubmit a complete complaint. While the complainant should not be required to contact the party under investigation before submitting a complaint, if the complainant was in contact with the party under investigation before submitting the complaint relating to the same matter, he or she should submit the communication related to that contact.</i> It should be possible for supervisory authorities to facilitate the submission of complaints in a user-friendly electronic format and bearing in mind the needs of persons with disabilities, <i>as long as the</i></p>	<p>listed in that form should be a condition for a complaint relating to cross-border processing to be treated as a complaint as referred to in Article 77 of Regulation (EU) 2016/679. No additional information should be required for a complaint relating to cross-border processing to be deemed admissible. It should be possible for supervisory authorities to facilitate the submission. However, administrative modalities and requirements for the admissibility of complaints in a user-friendly under the national procedural law of the supervisory authority with which a complaint is lodged, such as language, statute of limitations, means of identification, electronic format and bearing in mind the needs of persons with disabilities, as long as the information required from the complainant corresponds to the information required by the form and no additional information is required in order to find the complaint admissible form, specific template or signature, continue to apply. .</p>	

	Commission Proposal	EP Mandate	Council Mandate	Draft Agreement
		<i>information required from the complainant corresponds to the information required by the form and no additional information is required in order to find the complaint admissible.</i>		
Recital 4a				
14a			<p>(4a) As part of the specified information required, the contact details of the person, or entity, filling the complaint could include the postal address, place of residence, and where available email address, in order to allow supervisory authorities to acknowledge receipt of complaint and, when necessary, contact the complainant.</p>	
Recital 4b				
14b			<p>(4b) Where the entity filling the complaint is a body, organisation or association referred to in Article 80 of Regulation 2016/679, a proof that the body, organisation or association has been properly constituted in accordance with the national law of the Member State of the authority with which the complaint is lodged should be provided, together with a proof that such body, organisation or</p>	

	Commission Proposal	EP Mandate	Council Mandate	Draft Agreement
			<p>association is acting on the basis of the mandate of the data subject. The modalities and procedures for the establishment of such proofs are determined in accordance with the national law of the Member State of the authority with which the complaint was lodged.</p>	
Recital 4c				
14c			<p>(4c) Where the complainant is a natural person not in a position to exercise his/her right to lodge a complaint without the assistance of a legal representative, for example because he/she is a child or because he/she has a disability or vulnerability, the result of which is that his/her rights are being exercised through another person, such as a parent, legal guardian or family member, and where such representation is allowed under national law, that circumstance must be clearly identified at the point in time at which the complaint is lodged together with sufficient information so as to enable the supervisory authority with which the complaint is lodged to satisfy itself that it is appropriate for it to engage with the representative on the complainant's behalf.</p>	

	Commission Proposal	EP Mandate	Council Mandate	Draft Agreement
Recital 4d			<p>(4d) Supervisory authorities should facilitate the submission of all required information by the complainant and could ask for further information from the complainant in order to facilitate the handling of the complaint. Where some of the information necessary for the complaint to be deemed admissible is missing, the supervisory authority with which the complaint is lodged could contact the complainant in order to obtain the missing information where feasible. Only the supervisory authority with which the complaint is lodged should decide on its admissibility and such decision should be binding on the lead supervisory authority.</p>	
14d				
Recital 4e			<p>(4e) Where, following receipt of a complaint relating to cross-border processing from a supervisory authority, the lead supervisory authority requires additional information from the complainant in order to allow for the full investigation of the complaint, the supervisory authority with which the complaint was lodged should assist the lead supervisory</p>

	conduct of the parties in the course of the procedure and the complexity of the case.	conduct of the parties in the course of the procedure and the complexity of the case. <i><u>Article 6 of the European Convention on Human Rights (ECHR) and Articles 41 and 47 of the Charter require a reasonable overall duration of procedures. Given that this includes judicial remedies under Article 78 of Regulation (EU) 2016/679, procedures before supervisory authorities should typically not take more than nine months, unless exceptional circumstances arise.</u></i> <i><u>This Regulation foresees prolongations for delays or disruptions that are outside of the control of the lead supervisory authority. To that end, sufficient funding and staffing should be ensured in order to guarantee a timely and efficient handling of cases that does not affect the right to a good administration.</u></i>	lead supervisory authority, the conduct of the parties in the course of the procedure and the complexity of the case.	
Recital 5a				
15a		<i><u>(5a) The direct interaction between Member States' supervisory authorities and the parties is governed by national procedural law, insofar as Regulation (EU) 2016/679, this Regulation or Union law do not take primacy. In the case of indirect interaction of a lead supervisory authority with a party</u></i>		

	Commission Proposal	EP Mandate	Council Mandate	Draft Agreement
		<p><i>via another supervisory authority, the latter authority's procedural law should apply to any direct interaction with the party. In line with Article 56(6) of Regulation (EU) 2016/679, a complainant has the right to solely communicate with the supervisory authority with which the complaint has been lodged. This does not prevent the complainant to directly communicate with another supervisory authority, including the lead supervisory authority, which may be more efficient.</i></p>		
Recital 5b				
15b		<p><i>(5b) To ensure that minimum requirements of fair and efficient procedures are met in all cross-border cases, including in Member States where there is no codified national procedural law, the Regulation sets directly applicable rules based on Article 41 of the Charter.</i></p>		
Recital 5c				
15c		<p><i>(5c) It should be possible to apply, in accordance with national procedural law applicable to the supervisory authority that the party directly interacts with, strictly</i></p>		

	Commission Proposal	EP Mandate	Council Mandate	Draft Agreement
		<p><u>necessary and proportionate limitations in relation to the disclosure or the further use of legally protected information, such as personal data or trade secrets protected under Directive (EU) 2016/943^{1a}. This could include the internal deliberations and decision-making of the authority. The least intrusive measures, such as limitation of the use of information or blackening of information should be applied. Parties should always be informed that information was withheld from them, and why.</u></p> <p><u>1a. Directive (EU) 2016/943 of the European Parliament and of the Council of 8 June 2016 on the protection of undisclosed know-how and business information (trade secrets) against their unlawful acquisition, use and disclosure (OJ L 157, 15.6.2016, p. 1.)</u></p>		
Recital 5d				
15d		<p><u>(5d) The lead supervisory authority manages the case in line with this Regulation, Regulation (EU) 2016/679 and its national procedural law, while fully cooperating with other supervisory authorities in a spirit of common understanding and trust. Other supervisory authorities should provide any relevant information</u></p>		

	Commission Proposal	EP Mandate	Council Mandate	Draft Agreement
		<p><i>and their views to the lead supervisory authority. The lead supervisory authority should structure the case in an efficient and expedient way taking full account of the views of other supervisory authorities. At the same time, the procedure should be in line with Regulation (EU) 2016/679, in particular the one-stop-shop dispute resolution architecture and the competences of the lead supervisory authority.</i></p>		
Recital 5e				
15e		<p><i>(5e) Supervisory authorities may also start additional procedures, for example in the case of systemic or repetitive infringements. This should however, not lead to any interference with the rights of the parties.</i></p>		
Recital 5f				
15f		<p><i>(5f) Violations may concern the rights of multiple data subjects, therefore, evidence from procedures may need to be used in other procedures to facilitate an efficient procedure and consistent decision making. In order to objectively assess the amount of non-material damages based on the average data</i></p>		

	Commission Proposal	EP Mandate	Council Mandate	Draft Agreement
		<u><i>subject, civil courts may benefit from relying on established facts and evidence to determine a claim under Article 82 of Regulation (EU) 2016/679.</i></u>		
Recital 5g				
15g		<u><i>(5g) Each supervisory authority should define one or more languages that it accepts for incoming information by other supervisory authorities. An additional joint “cooperation language” should be defined which all supervisory authorities must accept for incoming or outgoing information. In case of judicial remedies, the supervisory authority against which a judicial remedy is brought should have the duty to translate all relevant documents to the accepted languages.</i></u>		
Recital 6				
16	(6) Each complaint handled by a supervisory authority pursuant to Article 57(1), point (f), of Regulation (EU) 2016/679 is to be investigated with all due diligence to the extent appropriate bearing in mind that every use of powers by the supervisory authority must be appropriate, necessary and	(6) Each complaint handled by a supervisory authority pursuant to Article 57(1), point (f), of Regulation (EU) 2016/679 is to be investigated with all due diligence to the extent appropriate bearing in mind that every use of powers by the supervisory authority must be <i>appropriate effective, necessary and</i>	(6) Each complaint handled by a supervisory authority pursuant to Article 57(1), point (f), of Regulation (EU) 2016/679 is to be <i>should</i> investigated with all due diligence to the extent appropriate bearing in mind that every use of powers by the supervisory authority must be appropriate, necessary and

	settlement does not prevent the competent supervisory authority from pursuing an ex officio case, for example in the case of systemic or repetitive infringements of Regulation (EU) 2016/679.	<p><i><u>complaint contingent on participation in an amicable settlement process. Settlements should be able to take the form of a contract between the parties under applicable law, but should bind the authorities.</u></i></p> <p>The fact that an individual complaint has been resolved through an amicable settlement does not prevent the competent supervisory authority from pursuing an ex officio case, for example in the case of systemic or repetitive infringements of Regulation (EU) 2016/679.</p> <p><i><u>However, such an ex officio possibility should not be used to defer decisions on complaints.</u></i></p>	<p>that such resolution results in the satisfaction of the complainant's request and that the infringement has been terminated. The early resolution of a complaint should therefore apply to cases where the complainant is duly able to assess the proposed outcome and determine that its request has been resolved through an amicable settlement does not prevent the competent supervisory authority from pursuing an ex officio case, for example in the case of systemic or repetitive infringements of Regulation (EU) 2016/679 satisfied.</p>	
Recital 9a				
19a			<p>(9a) The early resolution of a complaint may be particularly useful in expeditiously resolving disputes concerning infringements of data subject rights to the satisfaction of the complainant's request. Such outcome should allow the supervisory authority with which the complaint was lodged to consider, on the basis of preliminary engagement with the data controller and processor and provided that supporting evidence has been obtained, that the complaint becomes devoid of</p>	

	Commission Proposal	EP Mandate	Council Mandate	Draft Agreement
			<p>purpose and that the complainant's request is satisfied. In such a case, the lead supervisory authority should be informed about the early resolution but the complaint should not be transmitted. Where the lead supervisory authority is the authority receiving the complaint, it may also apply such procedure.</p>	
Recital 9b				
19b			<p>(9b) Where allowed under national law, an amicable settlement could also be considered as a way allowing for the early resolution of a complaint. However, resolution of the complaint by amicable settlement should not be possible where the data subject objects to the proposed outcome. In any event, the resolution of a complaint through amicable settlement by the lead supervisory authority should rely on a final decision pursuant to Article 60, paragraph 7 of Regulation (EU) 2016/679.</p>	
Recital 9c				
19c			<p>(9c) Where the lead supervisory authority considers that a</p>

Article 5, first paragraph				
74	A complaint may be resolved by amicable settlement between the complainant and the parties under investigation. Where the supervisory authority considers that an amicable settlement to the complaint has been found, it shall communicate the proposed settlement to the complainant. If the complainant does not object to the amicable settlement proposed by the supervisory authority within one month, the complaint shall be deemed withdrawn.	A complaint may be resolved by amicable settlement between the complainant and the <u>parties</u> <u>party</u> under investigation. <u>Where the at any stage of the proceedings. The complaint-receiving or the lead</u> supervisory authority <u>considers that an amicable settlement to the complaint has been found, it shall communicate the proposed settlement to the complainant</u> <u>may encourage and facilitate that voluntary process. If the complainant does not object to the amicable settlement proposed by the supervisory authority within one month, the complaint shall be deemed withdrawn.</u>	1. A complaint relating to cross-border processing which concerns the exercice of data subjects' rights under Regulation (EU) 2016/679 , may be resolved by amicable settlement between the complainant and the parties under investigation. Where the supervisory authority considers that an amicable settlement to the complaint has been found, it shall communicate the proposed settlement to the complainant. If the complainant does not object to the amicable settlement proposed by the supervisory authority within one month, the complaint shall be deemed withdrawn. through a procedure allowing for its early resolution when:	
Article 5, 1., point (a)				

	Commission Proposal	EP Mandate	Council Mandate	Draft Agreement
74a			<p>(a) the supervisory authority with which the complaint was lodged, prior to the possible transmission of the complaint to the lead supervisory authority, considers that the controller or processor has duly addressed the alleged infringement of Regulation (EU) 2016/679 and that the complainant's request has been dealt with in a satisfactory manner.</p> <p>or,</p>	
Article 5, 1., point (b)				
74b			<p>(b) the supervisory authority with which the complaint was lodged, prior to the possible transmission of the complaint to the lead supervisory authority, or the lead supervisory authority to which the complaint has been transmitted where applicable, determines that an amicable settlement to the complaint has been found and that the issues raised by the complainant have been dealt with in a satisfactory manner, provided that such settlement is allowed under the supervisory authority's national law and results in the termination of the alleged infringement of Regulation (EU) 2016/679.</p>	

	Commission Proposal	EP Mandate	Council Mandate	Draft Agreement
Article 5, first paragraph a				
74c		<p><i>1a. An amicable settlement between the complainant and the party under investigation shall be considered to be found where there is explicit agreement. Where an amicable settlement to the complaint has been found, the parties shall within one month communicate the settlement to the lead supervisory authority and the supervisory authority where the complaint has been lodged.</i></p>		
Article 5, 1. a				
74d			<p>2. The early resolution of a complaint pursuant to paragraph 1 (a) may only apply when:</p>	
Article 5, 1. a, point (a)				
74e			<p>(a) the supervisory authority with which the complaint was lodged has obtained supporting evidence that the controller or processor has already complied with the request of the complainant and that the infringements of Regulation (EU) 2016/679 are terminated, the supervisory authority has documented and</p>	

	Commission Proposal	EP Mandate	Council Mandate	Draft Agreement
			communicated this to the complainant, using clear and plain language, and	
Article 5, 1. a, point (b)				
74f			(b) given that the complainant's request have been addressed in a satisfactory manner for the complainant, the supervisory authority can consider that the object of the complaint becomes devoid of purpose.	
Article 5, first paragraph b				
74g		<i><u>1b. Within one month after the communication of the amicable settlement under paragraph 1a, a draft decision pursuant to Article 56(4) of Regulation (EU) 2016/679 shall be submitted, indicating:</u></i>		
Article 5, first paragraph b, point (a)				
74h		<i><u>(a) whether the conditions of an amicable settlement under paragraph 1a are fulfilled, and</u></i>		
Article 5, first paragraph b, point (b)				
74i		<i><u>(b) whether to open an ex officio</u></i>		

	Commission Proposal	EP Mandate	Council Mandate	Draft Agreement
		<u>investigation under paragraph 1d.</u>		
Article 5, 1. b				
74j			3. The early resolution of a complaint pursuant to paragraph 1 (b) may only apply when:	
Article 5, 1. b, point (a)				
74k			(a) the supervisory authority has documented and communicated the proposed settlement to the complainant, using clear and plain language, to inform the complainant about the nature and consequences of the proposed settlement, and	
Article 5, 1. b, point (b)				
74l			(b) the complainant does not object to the amicable settlement proposed within four weeks after having received the proposed settlement. The complainant may request an extension of two weeks to object to the proposed settlement. In the absence of objection by the complainant within four or six weeks, as the case may be, the proposed settlement is deemed to have been	

	Commission Proposal	EP Mandate	Council Mandate	Draft Agreement
			accepted, and therefore the complaint becomes devoid of purpose.	
Article 5, first paragraph c				
74m		<u>1c. Where, within one month, none of the other supervisory authorities concerned have objected to the draft decision under paragraph 1b or the Board confirms the amicable settlement in the procedure under Article 65(1), point (a) of Regulation (EU) 2016/679, the complaint shall be deemed withdrawn and the settlement shall become valid.</u>		
Article 5, first paragraph d				
74n		<u>1d. An amicable settlement does not prevent the lead supervisory authority from conducting an ex officio investigation in the same matter. It may open an ex officio investigation instead, in particular where:</u>

Commission Proposal Table 1

Complaint submitted on the basis of Article 3 ¹
Part A: Mandatory information
1. Identification of person or entity filing the complaint Where the complainant is a natural person, submit a form of identification. ² Where the complaint is submitted by a body referred to in Article 80 of Regulation (EU) 2016/679, submit proof that the body has been properly constituted in accordance with the law of a Member State. Where the complaint is submitted on the basis of Article 80(1) of Regulation 2016/679, proof that the body lodging the complaint is acting on the basis of the mandate of a data subject.
2. Contact details ³ Where the complaint is submitted electronically, email address. Where the complaint is submitted by post, postal address. Telephone number.
3. Entity whose processing of your personal data infringes Regulation (EU) 2016/679 Provide all information in your possession to facilitate the identification of the entity which is the subject of your complaint.
4. Subject of complaint Please set out the facts from which, in your opinion, there is or was processing of your personal data which infringes Regulation (EU) 2016/679 (the GDPR). Indicate in particular the context in which your personal data were processed.
Part B: Supplementary information
If possible, indicate the provisions of Regulation (EU) 2016/679 (the GDPR) which you consider have been breached by the entity processing your personal data. Please specify whether you have contacted the entity mentioned in point 3 of Part A prior to your complaint and outline the result of any such actions. If possible, please attach any relevant correspondence between you and the entity. Please specify whether you have started other administrative and/or judicial proceedings regarding the subject matter of your complaint. If so, please provide an explanation of the status, and, where relevant, outcome of such actions. Submit all documentation in your possession relating to the facts set out in the complaint (for example, copy of the documents attesting the relationship with the data controller (e.g. invoices, contracts); copy of any marketing messages or e-mails; pictures, photographs or screenshots; expert reports; witness reports; inspection reports).
Part C: Declaration and signature
Please confirm that the information given in this form is given entirely in good faith. Date and signature.

1. The complaint should be completed and submitted electronically or completed and submitted to the supervisory authority by post.

2. For example, passport, driving licence, national ID.

3. In the case a complaint is submitted by a body referred to in Article 80 of Regulation (EU) 2016/679, all of the information in point 2 should be provided.

EP Mandate Table 1
